

Investing In A Roth IRA

There are three basic options **when it comes to opening a Roth IRA**. You have a bank, a mutual fund company or a brokerage firm.

3 Options

Low Fees

At a bank, the fees may be low, but the investment options may be limited to CDs and money market accounts.

Buying a no-load mutual fund directly from a mutual fund company can be efficient, but that's only if you're interested in owning a few funds.

Efficient

Access

A brokerage account will let you access any type of investment from one account, but there may be annual fees and transaction costs that you've got to contend with.

Most Roth IRA accounts can be opened online, through the mail or in person. For speed and convenience, going online cannot be beat.
