

Sega Dreamcast Hardware Unit

SETTING UP

Set up your Sega Dreamcast™ game console according to the instructions in the Sega Dreamcast Instruction Manual. Make sure the power is OFF before inserting or removing a Sega Dreamcast Specific CD-ROM or peripheral device. Insert the *Panic in Paradise* disc and close the Disc Door. Insert a Sega Dreamcast Controller in Control Port A and turn the Sega Dreamcast console power ON. When the introductory sequence ends, the Start Menu appears. Select *Test Game* and prepare for adventure!

Never touch the Analog Thumb Pad or Triggers L/R while turning the Sega Dreamcast power ON. Doing so may disrupt the controller initialization procedure and result in malfunction. If the Analog Thumb Pad or Triggers L/R are accidentally moved while turning the Sega Dreamcast power ON, immediately turn the power OFF and then ON again, making sure not to touch the controller.

Using a Sega Dreamcast Visual Memory Unit Follow the Sega Dreamcast Visual Memory Unit (VMU) instructions for installing and removing the memory card. For use with *Panic in Paradise*, the memory card must be placed in Slot 1 of the Controller in Port A. If you have more than one controller attached to your Sega Dreamcast, this game uses ten blocks of memory. There are eight slots for saved games per VMU, but you can save only at specified save points, marked by a special icon. While using or loading a game file, never turn OFF the Sega Dreamcast power, remove the memory card or disconnect the controller.

SEGA DREAMCAST CONTROLS SUMMARY

Panic in Paradise is a one player game. Before turning the Sega Dreamcast power ON, connect the controller or other peripheral equipment into the control ports of the Sega Dreamcast.

To return to the title screen at any point during gameplay, simultaneously press and hold the A, B, X, Y and Start Buttons. This will cause the Sega Dreamcast to wait next for software and display the Title Screen.

You can re-map the controls by choosing the Controls option from the Start Menu. For more information see page 8.
