Part 1: Reading

Read the text and answer the questions.

The first paragraph is about the importance of the internet in our lives. The second paragraph is about the dangers of the internet. The third paragraph is about the future of the internet.

Part 2: Writing

Write a short paragraph about the importance of the internet in our lives.

The internet has become an essential part of our lives. It has changed the way we communicate, work, and play. We can now stay in touch with friends and family from anywhere in the world. We can also find information on almost any topic. However, the internet also has some dangers. There are many websites that contain bad information or even viruses. It is important to be careful when using the internet. In the future, the internet will continue to grow and change. It will become even more important in our lives.
