If there is happiness, there will be joy; if there is hatred, there is love. Life is a seesaw that has to be balanced; going down never means one cannot come up again. In Sania's life, every fall was a lesson and every lesson pulled her up. She was a warrior and had a thirst for love, true love and true life, which in reality is very complicated. Sania like

anyone wanted a normal life She fell she rose she cried she fought she all for true love Love Is it real is it perfect does it change things around you So much to absorb one never knows unless one experiences it Sania had to find the truth and to do so she had to jump in the well as it says you never know how deep it is unless you jump in it Now years later Sania risks her marriage to uncover the truth and this truth will change her life      Sessional Papers Great Britain.
