Swindoll, 1976

Step By Step Through Daniel John Ankerberg, Jimmy DeYoung, 2019-02-27 The Old Testament prophet Daniel gives us the skeletal outline of all future Bible prophecy and is the key to understanding the book of Revelation Jesus Christ himself quoted from Daniel assuring us of its truths This book contains Daniel's predictions of four world empires that will rise and fall his predictions of a final world empire that will be led by a new and powerful global leader and his warning of an alignment of nations that will come against the nation of Israel in the last days Where do we find ourselves in the events Daniel describes We will take you step by step through the book of Daniel to help you understand its message and the events God foretells are up ahead

The Walk with the Word Daniel Study Guide D E Isom, 2020-11-21 This is not a commentary but a series of Bible studies employing the Inductive Study Approach in order to arrive at a knowledge of how the text should be personally applied to one's life Formatted in a question and answer format it facilitates the process of observation what does the text say interpretation what does the text mean and the ultimate goal of application how should I personally apply the text to my life In this author's opinion it is impossible to grasp the whole prophetic picture and even many of the individual details and milestones without building firmly on this progressive foundation of first learning Daniel then the Olivet Discourse and finally on to Revelation The number one culprit of error in this area is most often traced to someone placing an over emphasis on only one of these teachings or over

realizing a single aspect of just one of them Revelation cannot be properly understood in isolation from Daniel and the Olivet Discourse In fact if the Early Church who first received Revelation had perceived in even the smallest way that it contradicted made obsolete or outright replaced even one letter of one word in Daniel and the Olivet Discourse it would have been soundly rejected no matter what the authorship The amount of material in Daniel which is recapitulated in Revelation is astounding Rather than presenting another commentary to document the various views and alternative interpretations of Daniel these Bible studies at least provide the opportunity to examine the text and personally seek how God would see it realized in our personal life as we begin to experience these events in our lifetime **The Book of Daniel** Lee

Martin,2018-07-23 Through the study of the book of Daniel we learn how to trust God in the midst of challenging times The first half of Daniel contains stories about Daniel and his Hebrew friends in which the kings of Babylon threaten to bring the faithful Jews to an end In each case however God overrules the human rulers with amazing interventions that protect the Hebrews The second half of Daniel contains visions of the end that unveil the deeper dimensions of God s present and future sovereign rule The visions show that just as God ruled over the life and times of Daniel God continues to rule over every earthly kingdom Ultimately God will bring all human kingdoms to an end and He will establish His eternal kingdom with Jesus the Messiah as king Daniel s visions assure us that God is in control and that we can trust in Him The visions of the end give us vibrant hope so that we can fulfill our mission as faithful witnesses of Jesus Christ until He returns Even in the face of difficult challenges and persecution we can live faithfully in the light of the end This study guide will lead you through an easy six step process of inductive Bible study 1 Reading for First Impressions 2 Reading for Discovering the Facts 3 Marking the Text 4 Reading for Transformation 5 Reading for Interpretation and 6 Hearing and Obeying God s Word Through these six steps you will be guided into deeper discoveries that will enrich your relationship with God and strengthen your faith
