The living room in the picture is bigger than the one in my house. In our living room we don't have a fireplace and we have one coffee table and not two. The coffee table in our living room is in front of the sofa as it is in the picture. There is a vase on the coffee table and not a flower pot. There is a sofa and two armchairs in our living room, whereas there is only one armchair in the living room in the picture. We also have a carpet on the floor and pictures on the walls.
