This cookbook will provide you an easy to follow guide to make the best 50 fast and delicious bread recipes ever. One of the best machines to come out in the last decade is the bread machine. It does all the labor intensive processes: mixing, kneading and baking. You have to add the ingredients and push one button. It is the device of optimum convenience and efficiency. Bread making with a bread machine is one of the best ways to save money, save time on baking and save your hard earned cash for other things. In this book you will find: The History of Bread Baking, Bread in a Bread Machine, Pro Tips to Make Perfect Bread, Sweet Breads, Gluten Free Bread. And many more bread delicacies for your bread maker. The introduction of bread makers or bread machines made it possible for more people to bake bread at home. This is done in a faster way than usual and you can easily do it even though you haven't tried doing something like this before. All you need is a handy machine which is now available in various models, sizes and brands. The dough will still go through the usual process of kneading, rising and all that, but this time you can leave the machine as it works on your bread and come back when it's done.
