Teaching Tough Topics Larry Swartz, 2020-01-15 Teaching Tough Topics shows teachers how to lead students to become caring citizens as they read and respond to quality children's literature. It focuses on topics that can be challenging or sensitive yet are significant in order to build understanding of social justice, diversity, and equity. Racism, Homophobia, Bullying, Religious Intolerance, Poverty, and Physical and Mental Challenges are just some of the themes explored. The book is rooted in the belief that by using picture books, novels, poetry, and nonfiction, teachers can enrich learning with compassion and empathy as students make connections to texts, to others, and to the world. Teaching Fairly in an Unfair World, 2nd Edition Kathleen Gould Lundy, 2020-08-14 This era of fake news demands a deeper curriculum that questions inconsistencies of facts and opinions in various texts and images. This timely revision of a ground-breaking book offers opportunities for students to connect with social justice issues through inventive language exploration and the active examination of all forms of media. It encourages teachers to evaluate their core teaching beliefs and recognize the realities of their students' lives for a richer understanding of our complex world. A glossary of more than fifty strategies along with reproducible pages for easy classroom use complement this essential resource. **Teaching Young Adult Literature** Thomas W. Bean, Judith Dunkerly-Bean, Helen J. Harper, 2013-02-14 Teaching Young Adult Literature: Developing Students As World Citizens by Thomas W. Bean, Judith Dunkerly-Bean, and Helen Harper is a middle and secondary school methods text that introduces pre-service teachers in teacher credential programs and in-service teachers pursuing a Masters degree in Education to the field of young adult literature for use in contemporary contexts. The text introduces teachers to current research on adolescent life and literacy, the new and expanding genres of young adult literature, teaching approaches, and practical strategies for using young adult literature in English and Language Arts secondary classrooms and in Content Area Subjects, e.g., History, and ongoing social, political, and pedagogical issues of English and Language Arts classrooms in relation to contemporary young adult literature. *Caring Hearts and Critical Minds* Steven Wolk, 2023-10-10 Imagine if going to school meant more than preparing kids for a test, teaching a canned curriculum, and training students for their future as workers. What if school were also about cultivating students to be caring, community-involved citizens and critical, creative thinkers who love to read? In *Caring Hearts Critical Minds*, teacher-author Steven Wolk shows teachers how to help students become better readers as well as better people. I want my students to be thinkers and have rich conversations regarding critical issues in the text and be able to formulate opinions regarding these issues, says Leslie Rector, a sixth-grade teacher who collaborated with Wolk on some of the units featured in this book. Wolk demonstrates how to integrate inquiry learning, exciting and contemporary literature, and teaching for social responsibility across the curriculum. He takes teachers step by step through the process of designing an inquiry-based literature unit and then provides five full units used in real middle-grade classrooms. Featuring a remarkable range of recommended resources and hundreds of novels from across the literary genres, *Caring Hearts Critical*

Minds gives teachers a blueprint for creating dynamic units with rigorous lessons about topics kids care about from media and the environment to personal happiness and global poverty Wolk shows teachers how to find stimulating real world complex texts called for in the Common Core State Standards and integrate them into literature units I know from experience that a great book changes the reader says Karen Tellez an eighth grade teacher featured in the book For me books have helped me escape fall in love recover from heartbreak and have broken open my mind from the age of twelve I hope my students gain better reading comprehension confidence as readers connections to the characters and events a curiosity for the world and tolerance for others Caring Hearts Critical Minds shows teachers how to turn these hopes and goals into reality
