Trauma, Hybridity, and Creolization in Edwidge Danticat's Breath, Eyes, Memory and The Dew Breaker Chloé

Gonthier, 2020 Edwidge Danticat's *Breath Eyes Memory* 1994 tells the story of Sophie Caco a young Haitian girl who moves from Croix Des Rosets Haiti to New York City to reunite with Martine her birth mother Her coming of age narrative becomes an exploration of cultural displacement political violence and intergenerational sexual abuse *The Dew Breaker* 2004 a novel as short stories recounts the tales of different characters whose lives intersect under the Haitian regimes of both François and Jean Claude Duvalier The text explores a multiplicity of perspectives representing the long term effects of political terror on a host of characters At their center are Ka Bienaim a young Haitian American woman who has idealized her father whom she has perceived as a victim of the Duvalier regime and her father a Haitian immigrant hiding his past as a dew breaker a Tonton Macoute working as a violent enforcer of the dictatorship Both novels depict the psychological interpersonal and cultural damage caused by the violence of an authoritarian regime In my thesis I investigate how Danticat uses the characters of Sophie and Ka to interrogate questions related to trauma and emotional betrayal My study argues that in these texts the author creates a space where notions of hybridity and creolization mingle and give birth to new forms of discourse More particularly I provide an account of how the Creole language helps the reader to come to a better understanding of the cultural physical and the historical realities of Haiti Sarthou 20 In acknowledging the traumatic experiences of their past as part of themselves Danticat's characters exercise agency by choosing to address the past I will thus divide my thesis in three chapters In Chapter One I explore hybridity and creolized language as a space to articulate new forms of identity In my second chapter I examine how the author uses *Breath Eyes Memory* to reformulate memory and reclaim tradition In Chapter Three I analyze how *The Dew Breaker* interweaves explorations of violence remembrance and forgiveness to interrogate the potential for emotional healing
