A Closer Look at the Consolidated State Performance Report, Part I: Manual Entry

The National Center for Homeless Education (NCHE) developed a series of briefs focused on ensuring data submitted to the U.S. Department of Education (ED) meet quality standards and conform to program requirements. The series supplements information provided in ED's [file specifications](#), which are the primary guidance documents on ED Facts data collections. As the seventh in the series, this brief provides information about the data collection and submission process for data submitted manually in Part I of the [Consolidated State Performance Report](#) (CSPR).

Data Collected by the CSPR, Part I

While the majority of the CSPR is prepopulated by data already stored within the ED Facts data warehouse, certain data related to local educational agencies (LEAs) that reported data and American Rescue Plan Homeless Children and Youth (ARP-HCY) subgrants under ARP Homeless I and ARP Homeless II are manually entered by state educational agencies (SEAs). This includes:

- Data on the number of LEAs with and without subgrants that reported data on students who experienced homelessness are submitted in Question 1.5.1.
- Data on the number of LEAs that received ARP Homeless I funds are submitted in Question 1.5.4.
- Data on the number of LEAs that received ARP Homeless II funds are submitted in Question 1.5.5.
- Data on the amount of ARP Homeless I and ARP Homeless II funding awarded to each LEA are submitted in Question 1.5.6.

All LEAs that participated in a consortium or regional subgrant are considered subgrantees and must be included in Questions 1.5.1, 1.5.4, 1.5.5, and 1.5.6.

Important Dates

CSPR, Part I Manual Entry data are due by February 26, 2025, for School Year (SY) 2023-24. The CSPR online tool will open on January 29, 2025; data may be entered any time between then and February 26, 2025. Once the data have been submitted to ED, the information will undergo a data quality review. States will then have the opportunity to submit data or related comments again as needed.

Data Quality Checks

During the data quality review, information submitted by states will be examined to ensure that it is accurate, timely, and complete. Data checks will be based on the [CSPR Part I and Part II Business Rules Single Inventory](#) (CSPR BRSI) published by ED. The questions below are based on rules pertaining to the CSPR manual entry questions on McKinney-Vento, ARP Homeless I, and ARP Homeless II subgrantees contained in
