Valuing People in Construction Fidelis Emuze, John Smallwood, 2017-08-09 Valuing People in Construction provides contemporary perspectives on the glue that binds the construction process together people The book addresses people issues in the construction industry where behavioural outcomes impact upon business and project performance The

main proposition of the book is that as people continue to lead the completion of construction activities their health safety and well being should be seen as a priority and valued by stakeholders As employers and employees the role of people in construction must be to strive for the improvement of individual lives and society This edited collection which is the first book to focus specifically on placing value on people in construction focuses on people at work gender at work conditions at work and respect at work In addition to an editorial overview the book presents tested and refined empirical work and case studies by leading construction researchers from Africa Australia and Europe Essential reading for researchers students and professionals interested in construction management the sociology of construction HRM in construction gender work and health studies

**FIDIC Contracts in Africa and the Middle East** Donald Charrett, 2023-09-20 FIDIC contracts are the most widely used contracts for international construction around the world and are used in many different jurisdictions both common law and civil law For any construction project the General Conditions of Contract published by FIDIC need to be supplemented by Particular Conditions that specify the specific requirements of that project FIDIC Contracts in Africa and the Middle East A Practical Guide to Application provides readers with detailed guidance and resources for the preparation of the Particular Conditions that will comply with the requirements of the laws that apply to the site where the work is carried out and for the governing law of the contract for a number of the jurisdictions in which FIDIC contracts are or can be used This book closely follows the format of The International Application of FIDIC Contracts Each jurisdiction features an outline of its construction industry and information on the impact of COVID 19 on both the execution and operation of construction contracts This book is essential reading for construction professionals lawyers and students of construction law

**The Relationship between Main Contractors and Subcontractors in the Zambian Construction Industry** Tafadzwa Mudzvokorwa, 2017-07-10 Master s Thesis from the year 2016 in the subject Engineering Civil Engineering University of Zambia course Master of Engineering Project Management language English abstract In recent years there have been a substantial number of projects conducted in the Zambian construction industry Due to the magnitude and complexity of many of these projects contractors have resorted to subcontracting to share responsibilities and mitigate project risks The Zambian government has also invigorated the practice of subcontracting in the construction industry as it plays an important role in increasing economy viability and building capacity Instead of improving project success subcontracting can act as a catalyst for poor project outcomes Though there are many reasons that contribute to problems from subcontracting a poor relationship between main contractors and subcontractors can be seen as a notorious contributor affecting construction works The study aimed at investigating the relationship between the main contractors and subcontractors in the Zambian construction industry and recommend a framework that can be implemented to better the relationship The study also examined the effects of a poor interface between main contractors and subcontractors in Zambia Data collection techniques used included literature review interviews and questionnaire surveys The relative importance

index was used to determine the ranking of the results of the study Using the results adduced from the study a main contractor subcontractor non contractual partnering model was developed The study established that the relationship between main contractors and subcontractors in Zambia is poor therefore needing attention Interface problems were caused by payment issues poor communication unexpected price escalations and poor construction work In order to address interface problems the study found that there was need for better communication between the parties timely payments and subcontractors access to labour and machinery However the study had some limitations that need consideration when interpreting the results found The limitations included scarcity of specific literature on subcontracting in the Zambian construction industry the size of the sample only being limited to Lusaka Nevertheless these limitations could be addressed through further studies

*Insights: Frontiers in Built Environment* Zhen Chen,Akira Matsumoto,Joan Ramon Casas,Vagelis Plevris,George Tsiatas,Hongling Guo,Yongkui Li,Sakdirat Kaewunruen,2024-04-08 We are now entering the third decade of the 21st Century and especially in recent years the achievements made by researchers and professionals have been exceptional leading to major advancements in the fast growing field of the Built Environment Frontiers has organised a series of Research Topics to highlight the latest advancements in research across the field of Built Environment with articles from the members of our accomplished Editorial Boards

*Routledge Handbook on Labour in Construction and Human Settlements* Edmundo Werna,George Ofori,2023-12-12 Routledge Handbook on Labour in Construction and Human Settlements presents a detailed and comprehensive examination of the relationship between labour and the built environment and synergises these critical focus areas in innovative ways This unrivalled edited collection of chapters analyses problems and presents possible solutions related to the employment and conditions of workers in the construction industry It provides comprehensive coverage of the relationship between the global workforce and the built environment and is divided into four topical areas how labour and the built environment relate to development employment generation in the built environment quality of employment in the built environment and the impact of the built environment on labour in other sectors Underpinning the entire book is the premise that the way the built environment is produced and its main products buildings cities and towns have an impact on large numbers of workers At the same time the quality of the built environment requires construction workers who are well trained and with good working conditions While cities and towns are the engines of economic growth they will not be able to fulfil their economic potential if poverty in the workforce is not addressed Those who are unemployed underemployed or work in unfavourable conditions cannot fully contribute to production and at the same time are limited in their ability to purchase goods and services therefore limiting economic growth and restricting improvements in their living standards In addition investments in infrastructure housing and inner city redevelopment cannot be sustainable if labour issues i e poverty are not addressed This book aims at analysing this complex set of issues comprehensively and will be essential reading to a wide range of researchers across the interdisciplinary intersections of

In the digital age, access to information has become easier than ever before. The ability to download Construction Industry Development Board Cidb Employment has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Construction Industry Development Board Cidb Employment has opened up a world of possibilities. Downloading Construction Industry Development Board Cidb Employment provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Construction Industry Development Board Cidb Employment has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Construction Industry Development Board Cidb Employment. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Construction Industry Development Board Cidb Employment. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Construction Industry Development Board Cidb Employment, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Construction Industry Development Board Cidb Employment has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it

is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
