Contemplations Of The Seasons On This Earth:

Contemplations of the Seasons on This Earth Richard Lawrence James, 2014-11-01 Dedication This book is dedicated to all who have had the fiery trials of either being a cancer patient or having a loved one who is facing it and dealing with the uncertainties of what might be in the future if any I myself having to have hit this killer giant square between its eyes with the Mighty Hand of Providence s help of letting this fellow sojourner activate his childhood faith picking as if choice stones of God s indwelling leadings of the past as reference to and to give the strength and confidence to endure the ordeal by that awesome unmerited favor He has bestowed not just toward me but desires all who by faith will listen when the still small voice gives unction speaks and by so doing calming and sustaining directly in proportions to everyone s necessities no matter what issues may be in the uncertainty of the near future and what lays beyond everlasting With Brotherly Love the author Richard Lawrence James *Contemplation of the Holy Scriptures* William Boyce, 1834 *Meditations and Contemplations ... With a Sketch of the Author's Life* James Hervey, 1853 *The Cosmos as Garden - A pictorial contemplation of Chinese Private Gardens and their role in the alteration of time and space* Jürgen Hirschmann, 2009-07-03 Diploma Thesis from the year 2009 in the subject Landscape Management grade Sehr gut University of Natural Resources and Applied Life Sciences Vienna language English abstract Although China cultural as well as political is opening up since about thirty years the Chinese manner of celebration except of few exemptions has still keep refused most people in the western world Primarily this has to do with the ancient Chinese ideology self The Chinese who are calling their country The Empire of the Middle were on principle in the past rarely attempted to leave their nation because the remaining world for them was not really livable Outside the boundaries there lived the so called barbarians who in ancient times mostly were embodied by brutal Mongolian tribes who martially tried to infiltrate China and from them the Chinese had to protect So they created their own world a world in the world enclosed by the thousands of meters long Great Wall Chang Cheng inside of they felt confident and could develop further This retirement in an enclosed space and last but not least the retirement in oneself paved finally the way for their private gardens in which they could undisturbed find an access to a better world This essay will deal with these little enclosed garden worlds these micro cosmos in a macro cosmos This work consists of a searching for their history and the holistically religious backgrounds which first made enable these small but coevally infinite universes It get to the bottom of the correlations between time and space establish relationships between narrow and open bright and dark and last but not least inside and outside which all are parts of an all containing super ordinate Great It makes close connections to landscape paintings and the gardens self which as major motif threads through the whole text will find out that they are close correlated to the Great and grapple with the centre of the Whole with the Zero Perspective or the Vapidness in which the human as important part at least can dive in to touch the sky Of course also the framework of a Chinese private garden the several elements are considered without them no garden could exist The role and the important task of their walls will be

bespoken the several constructions of their buildings and last but not least the close to the human correlated plants All this aspects will be picked up again at a walkabout through three famous Chinese gardens in Suzhou where the mindfully reader finally will notice that size does not necessarily count in architectural garden space **Meditations and Contemplations**
