diverse topics as the Gnostic fiction of Philip Pullman alchemical images the Tarot surrealism esoteric films and much more This collection reveals the richness and complexity of the intersections between esotericism artistic creators and their works Authors include Joscelyn Godwin Cathy Gutierrez M E Warlick Eric Wilson and many others **Gnosticism and the History of Religions** David G. Robertson, 2021-08-12 Building on critical work in biblical studies which shows how a historically bounded heretical tradition called Gnosticism was invented this work focuses on the following stage in which it was essentialised into a sui generis universal category of religion At the same time it shows how Gnosticism became a religious self identifier with a number of sizable contemporary groups identifying as Gnostics today drawing on the same discourses This book provides a history of this problematic category and its relationship with scholarly and popular discourse on religion in the twentieth century It uses a critical historical method to show how and why Gnosis Gnostic and Gnosticism were taken up by specific groups and individuals practitioners and scholars at different times It shows how ideas about Gnosticism developed in late nineteenth and twentieth century scholarship drawing from continental phenomenology Jungian psychology and post Holocaust theology to be constructed as a perennial religious current based on special knowledge of the divine in a corrupt world David G Robertson challenges how scholars interact with the category Gnosticism and contributes to our understanding of the complex relationship between primary sources academics and practitioners in category formation

Hanegraaff, Antoine Faivre, R. van den Broek, Jean-Pierre Brach, 2005 This is the first comprehensive reference work to cover the entire domain of Gnosis and Western Esotericism from Late Antiquity to the present It contains critical discussions of all its major authors currents and manifestations from Gnosticism to the New Age Also available soon in unabridged one volume edition Dictionary of Gnosis & Western Esotericism: A Wouter J. Ahlbäck, Björn Dahla, 2008 **Gnostic Philosophy** Tobias Churton, 2005-01-25 An extensive examination of the history of gnosticism and how its philosophy has influenced the Western esoteric tradition Explains how the Gnostic understanding of self realization is embodied in the esoteric traditions of the Rosicrucians and Freemasons Explores how gnosticism continues to influence contemporary spirituality Shows gnosticism to be a philosophical key that helps spiritual seekers remember their higher selves Gnosticism was a contemporary of early Christianity and its demise can be traced to Christianity's efforts to silence its teachings The Gnostic message however was not destroyed but simply went underground Starting with the first emergence of Gnosticism the author shows how its influence extended from the teachings of neo Platonists and the magical traditions of the Middle Ages to the beliefs and ideas of the Sufis Jacob Böhme Carl Jung Rudolf Steiner and the Rosicrucians and Freemasons In the language of spiritual freemasonry gnosis is the rejected stone necessary for the completion of the Temple a Temple of a new cosmic understanding that today's heirs to Gnosticism continue to strive to create The Gnostics believed that the universe embodies a ceaseless contest between opposing principles Terrestrial life exhibits the struggle between good and evil life and death beauty and ugliness and enlightenment and ignorance gnosis and agnosis The very nature of physical space and time are obstacles to humanity's ability to remember its divine origins and recover its original unity with God Thus the preeminent gnostic secret is that we are God in potential and the purpose of bona fide gnostic teaching is to return us to our godlike nature Tobias Churton is a filmmaker and the founding editor of the magazine *Freemasonry Today* He studied theology at Oxford University and created the award winning documentary series and accompanying book *The Gnostics* as well as several other films on Christian doctrine mysticism and magical folklore He lives in England Western Esotericism: A Guide for the Perplexed Wouter J.
