Figure 1

(i) Suggest an enquiry question or hypothesis that the students might have proposed for their investigation.

(10)

How ~~are~~ effective is coastal management in protecting the coastline from erosion?

The first part of this response is unclear although there is a basic idea of 'trouble to drive there', which could be developed to make the point clear and garner a second mark for the point. The second part of this response is explicit about the rocks and the subsequent risks involved. 3 marks.

Do not leave things unexplained by using vague terms such as 'difficult' or 'trouble' - why might it be 'difficult'?

(ii) Suggest two problems that the students' choice of locations may have caused for their collection.

(10)

A. One of the problems with finding both beach locations is that location A is a lot more built up than location B, meaning there may be more ~~obstacles~~ ^{buildings} in the way. Location B seems to be ~~more~~ ^{more} difficult to get to as there is a rocky coastline which looks dangerous. Like A, it is hard to get to as it is built up.

There is obviously great familiarity with OS maps and several points are made, although some of them especially clearly. The answer is rather spelt by the persistent references to when, certainly in some cases, pupils probably intended to say 'also' as with many candidates, the distinction between site and location is not made clear in their
