

Bridging the Development Gap

4 Study Figure 4.

- (a) Using Figure 4, suggest reasons for both the differences and trends in poverty levels in Vietnam between 1994 and 2006. (10)
- (b) Using named examples, evaluate the view that the economic gains from development are often outweighed by social and environmental costs. (15)

(Total for Question 4 = 25 marks)

The Technological Fix?

5 Study Figure 5.

- (a) Using Figure 5, suggest why the three people shown have contrasting views of technology. (10)
- (b) To what extent does a global 'north-south divide' still exist in terms of access to technology? (15)

(Total for Question 5 = 25 marks)

Edexcel A2 Geography Past Papers:

A-Level Chemistry for AQA: Year 1 & 2 Student Book, 2020-10-05 This fantastic CGP Student Book comprehensively covers both years of AQA A Level Chemistry It s bursting with in depth accessible notes explaining every course topic plus all of the Required Practicals Everything s supported by clear diagrams photographs tips and worked examples Throughout the book there are lots of practice questions and exam style questions with answers at the back There s detailed guidance on Maths Skills and Practical Skills as well as indispensable advice for success in the final exams If you d prefer Year 1 9781782943211 Year 2 9781782943266 in separate books CGP has them too And for more detailed coverage of the mathematical elements of A Level Chemistry try our Essential Maths Skills book 978182944720 *Advanced Geography Through Diagrams* Garrett Nagle, Kris Spencer, 2001 DT These highly successful revision guides have been brought right up to date for the new A Level specifications introduced in September 2000 DT Oxford Revision Guides are highly effective for both individual revision and classroom summary work The unique visual format makes the key concepts and processes and the links between them easier to memorize DT Students will save valuable revision time by using these notes instead of condensing their own DT In fact many students are choosing to buy their own copies so that they can colour code or highlight them as they might do with their own revision notes A-Level Physics for AQA: Year 1 & 2 Student Book, 2020-09-30 This unbeatable CGP Student Book covers all of the core content for both years of AQA A Level Physics plus the optional topics 9 12 It s brimming with in depth accessible notes clear diagrams photographs tips and worked examples Throughout the book there are lots of practice questions and end of section summaries with exam style questions answers at the back There s detailed guidance on Maths Skills and Practical Skills as well as indispensable advice for success in the final exams If you d prefer Year 1 9781782943235 Year 2 9781782943280 in separate books CGP has them too And for more detailed coverage of the mathematical elements of A Level Physics try our Essential Maths Skills book 9781782944713 **Mathematics** Peter Sherran, 2004 The Revise A2 study guides updated with 2006 specifications are written by examiners and contain in depth course coverage of the key information plus hints tips and guidance End of unit sample questions and model answers provide essential practice to improve students exam technique British Humanities Index, 2006 **The Times Index**, 2011 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement *Choosing Your A Levels* Cerys Evans, 2012-08-21 Not sure what to do after your GCSEs Are you overwhelmed by the options Choosing Your A Levels is the only impartial guide which will clearly provide you with all your options post 16 Whether you have decided to study A Levels an advanced diploma or any other further education qualification this comprehensive guide will help you take the next steps in your education If you want more advice on which subjects to take or whether you want to learn more about how they are structured Choosing Your A Levels provides you with all the information you need to make tough choices and continue into further education

Containing the latest information on AS Levels this book will successfully guide you into further education Choosing Your A Levels is easy to navigate if you want information about a particular qualification or as a detailed overview of all the major post 16 further education options Inside you ll find Guidance on choosing the right qualification for you and indications of what the different qualifications can lead to A directory of subjects by qualification for quick reference Exam tips and preparation to ease the pressure Advice to help you succeed when you get there Students all have different strengths so Choosing Your A Levels explains the involvement and details of each qualification showing how each qualification suits different learning styles This means you have all the information you need at your fingertips to make a personal and informed choice matching yourself with a qualification that works with your strengths whether they are practical skills or personal attributes for a successful post 16 education For more help and advice on choosing other post 16 qualifications please see other titles in the series Choosing Your Apprenticeship and Choosing Your Diploma

A Level Business Studies David Floyd,1997 This text on business studies is one of a series of study guides for A Levels and Scottish Higher Grade which are designed for use throughout the course as a supplement to studies at school or college and as revision guides for the final approach to the exams The focus is on the knowledge and techniques needed to pass with the best possible grades and there is practical guidance on studying revising course work and exam preparation Exam questions are included for each topic and a test run section incorporates a progress test and a mock exam with answers

The Public Understanding of Assessment John Gardner,2017-10-02 Assessment of educational achievement whether by traditional examinations or by teachers in schools attracts considerable public interest particularly when it is associated with high stakes outcomes such as university entry or selection for employment When the individual s results do not chime with their or their teachers expectations doubts creep in about the process of assessment that has arrived at this result However educational assessment is made up of many layers of complexity which are not always clear to the general public including teachers students and parents and which are not easily understood outside of the expert assessment community These layers may be organized in highly co dependent relationships that include reliability validity human judgment and errors and the uses and interpretations of the various types of assessment No one could reasonably argue that the principles and complexities of educational assessment should be core learning in public education but there is a growing realization that trust in the UK assessment system is under some threat as the media and others sensationalize or politicize any problems that arise each year This book offers the first comprehensive overview of how the general public is considered to perceive and understand a wide variety of aspects of educational assessment and how this understanding may be improved This book was originally published as a special issue of the Oxford Review of Education

Computing P. M. Heathcote,K. R. Bond,1997 This text on computing is one of a series of study guides for A Levels and Scottish Higher Grade which are designed for use throughout the course as a supplement to studies at school or college and as revision guides for the final approach to the exams The

focus is on the knowledge and techniques needed to pass with the best possible grades and there is practical guidance on studying revising course work and exam preparation Exam questions are included for each topic and a test run section incorporates a progress test and a mock exam with answers *Parliamentary Debates (Hansard)*. Great Britain. Parliament.
