both national and state laws and principles in order to pass your state's license examination While RELEP is as comprehensive a national prep text as it gets in the end as your prelicense course hopefully informed you it's all up to you It still takes hard work and study to pass But we have done our best here to get you ready for the national portion of the state exam Following that the most we can do is wish you the best of success in taking and passing your state exam So good luck
