## **Carly Rose Sonenclar News:**

I Want to Change My Life Barrie Gunter, 2014-07-24 Competition talent shows have been among the most popular on television in the 21st century. The producers of these shows claim to give ordinary people extraordinary opportunities to change their lives by showcasing a specific skill leading to a new career trajectory. Most participants will claim that they entered to get a big break and to develop a career they have always dreamed of. To what extent do these shows deliver on such promises? Following through what happens to leading contestants in singing, entertainment, modelling, cooking, and business entrepreneur competitions, this book shows that few go on to achieve lasting success in their chosen career. Many return to obscurity or to their previous lives. Some enjoy a low level career in the new direction delivered by the competition they entered. Just a few become truly successful. The pop and entertainment themed contests have discovered just a handful of major pop stars and entertainers out of many hundreds who have taken part after the initial auditions. Turning to the cookery or business franchises, there are few who go on to achieve lasting success in their chosen career. In these, it is equally likely that the winners go on to enjoy success with media careers rather than as chefs or entrepreneurs. The most successful franchise of all is the fashion model competition, *Next Top Model*, which has yielded a high hit rate in terms of career success. What the analysis here also reveals is that it isn't only the winners who ultimately benefit the most from their appearances in these shows. Moreover, television picks its own stars by recruiting contestants because they are telegenic or have a good backstory as much as for their relevant talents. In this way, a talent hungry medium has co-opted these franchises to replenish its own needs.

Theatre World Ben Hodges, Scott Denny, 2012-05 Now in its 67th year, *Theatre World* is the most comprehensive record of the theatrical season: Broadway, Off Broadway, and Off Off Broadway, including listings for over 60 regional companies. Detailing more than 2,000 productions, each entry includes photos, a complete cast listing, producers, directors, authors, composers, opening and closing dates, song titles, and plot synopses. *Theatre World* also features the year's obituaries, a listing of all nominees and winners of the major theatrical awards, the longest running shows on and off Broadway, and a detailed index. Highlights of the 2010-2011 season include the multi-award winning musical *The Book of Mormon*, the National Theatre production of *War Horse* transferred to a successful Broadway engagement at Lincoln Center Theater featuring the stunning puppetry of the Handspring Puppet Company, Larry Kramer's hit Off Broadway play from the 1980s *The Normal Heart* was revived on Broadway with a star-studded cast, while Cole Porter's timeless classic *Anything Goes* had a glorious White Way revival at Roundabout Theatre Company's new Stephen Sondheim Theatre. The Signature Theatre staged Tony Kushner's *Angels in America* while New York Theatre Workshop presented *The Little Foxes* as well as *Peter and the Starcatcher*, a prequel to *Peter Pan*. *Theatre World* continues its new tradition of including Broadway, Off Broadway, Off Off Broadway, and Regional Theatre roundups written by accomplished theater critics and includes over 700 photos of the season.
