

The Unit Coordinator Handbook

About the Unit Coordinator Handbook

This Handbook will assist you in fulfilling your responsibilities as a Unit Coordinator and has been developed with input from Unit Coordinators to ensure its relevance and ease of use. It is designed to be a quick resource for busy academic staff, however, more resources are available at the Unit Coordinator website: <http://unitcoordinators.curtin.edu.au/>

The Head of School or Department is responsible for the allocation of Unit Coordinators for all active units in each study period.

The topics covered here identify the key tasks and activities for which Unit Coordinators are responsible and, where relevant, provides the source for more detailed information e.g. web-pages, policies, and other staff. There can only be one named Unit Coordinator, however, not all of the duties need to be performed by the one person i.e. some schools will have more than one person performing different components of the coordination duties.

Professional Development

Curtin offers a range of professional development opportunities for Unit Coordinators to improve their knowledge with respect to their obligations. The **Academic Leadership for Unit Coordinators Program**, currently offered at the end of second semester on the Bentley campus, is best preceded by the *Foundations of Learning and Teaching at Curtin* (FOLT) program which runs continuously over both semesters in any given year¹. The following modules are particularly relevant for Unit Coordinators:

- Modules 4, 5, 6: Designing for student learning

These are best preceded by:

- Modules 1, 2, 3: Teaching at university
