Applications Hoe-Kyung Jung, Jung Tae Kim, Tony Sahama, Chung-Huang Yang, 2013-05-25 These proceedings are based on the 2013 International Conference on Future Information Communication Engineering ICFICE 2013 which will be held at Shenyang in China from June 24-26, 2013. The conference is open to all over the world and participation from Asia Pacific region is particularly encouraged. The focus of this conference is on all technical aspects of electronics information and communications. ICFICE 13 will provide an opportunity for academic and industry professionals to discuss the latest issues and progress in the area of FICE. In addition, the conference will publish high quality papers which are closely related to the various theories and practical applications in FICE. Furthermore, we expect that the conference and its publications will be a trigger for further related research and technology improvements in this important subject. **The Performance Appraisal Tool Kit** Paul Falcone, Winston Tan, 2013-05-15 The key difference between a highly successful organization and one that just merely reaches its quarterly goals most of the time might very well be how they address performance reviews. Are they just a perfunctory annual check off with no other goal than to justify salary increases or does the organization truly know how to manage and measure its employees' performances to best impact a company's bottom line? In *The Performance Appraisal Tool Kit* you will discover a customizable appraisal template covering the essential areas of performance and conduct and learn how they can adapt it to fit varying business strategies. After all, every organization is a unique entity; therefore, the performance appraisal plan must also be unique to its company. To find the process that best increases efficiency and effectiveness in your workplace, learn how to: Profile ideal employee performance and behavior; Design competencies that power performance both at the individual and enterprise level; Drive future change by setting your organization's strategic direction; Retool the appraisal as needed to ratchet up expectations over time. There's nothing more valuable to a company in the long term than a motivated and dedicated workforce. *The Performance Appraisal Tool Kit* gives you the resources you need to construct a performance appraisal program that will accommodate market changes, revised priorities, and increasing productivity targets and in the end will lift your organization to a higher level. *Healthy Urban Planning* Hugh Barton, Catherine Tsourou, 2000 This book aims to refocus urban planners on the implications of their work for human health and well-being.
