Ebook: Managerial Accounting - Global Edition Ronald Hilton, David Platt, 2014-09-16 We are pleased to present this Global Edition which has been developed specifically to acquaint students of business with the fundamental tools of managerial accounting and to promote their understanding of the dramatic ways in

which business is changing The emphasis is on teaching students to use accounting information to best manage an organization Each chapter is written around a realistic business or focus company that guides the reader through the topics of that chapter There is significant coverage of contemporary topics such as activity based costing target costing the value chain customer profitability analysis and throughput costing while also including traditional topics such as job order costing budgeting and performance evaluation Many of the real world examples in the Management Accounting Practice boxes have been revised and updated to make them more current and several new examples have been added This Global Edition has been adapted to meet the needs of courses outside the United States and does not align with the instructor and student resources available with the U S edition Fundamental Managerial Accounting Concepts 7e Thomas Edmonds,Bor-Yi Tsay,2014-09-16 **Fundamental Managerial Accounting Concepts 7e** **College Accounting: A Contemporary Approach with Connect Access Card** John Price,Michael Farina,M. David Haddock,2011-06-03 Overview The Haddock text features the successful author team Price et al The author team based A Contemporary Approach on the solid foundation of the Price 12e textbook however in Haddock the approach has been modified to fit the needs of a growing number of College Accounting instructors who teach the course without covering special journals These instructors feel that special journals are an unnecessarily complicated subject for such a basic course By eliminating special journal coverage professors are free to focus on recording to the general journal and posting to the general ledger the basic bookkeeping functions that are so important to accountants in the real world Competing books have placed special journals in an appendix Slater or tried to separate special journal coverage from general journal coverage but retain both McQuaig Haddock is the only text on the market that eliminates special journal coverage completely why make students pay for material they will not learn in the course With Haddock on the roster instructor s have a choice between a traditional approach that fully integrates special journals into the text in a succinct and logical way Price 12e or a contemporary approach that focuses on the basics and is more in keeping with where the course is headed in the future Haddock 1e **Intermediate Accounting** J. David Spiceland,James F. Sepe,Mark W. Nelson,2011 Adopters and reviewers praise Intermediate Accounting 6 e by Spiceland Sepe Tomassini for its superior readability strong supplements package learning system good EOC real world flavor consistent quality and high student engagement SST 6 e will gain support in both traditional and progressive accounting departments especially those looking for a more concise decision making text that reinforces challenging concepts The authors have created a flexible text with a student friendly writing style that focuses on explaining not only how to apply a procedure but why its applied SST 6 e is built around a Learning System designed to prepare students for the new CPA exam and the business world by emphasizing decision making Acknowledging the diversity of students and their learning styles the authors have created a clear text and varied supplemental materials to aid the success of every student Ebook: Fundamentals of Corporate Finance, Middle East Edition ROSS, STEPHEN,2015-02-16 Ebook Fundamentals of Corporate
