devouring every word and I was so conflicted seeing Angela and Kieran together and loving how great they were together but feeling so bad for Soren at the same time I wasn't really sure how Ms Vaughn was going to approach this story what direction she'd take so my mind was reeling with the possibilities I did have high expectations because Soren really needed something good to happen to him to make up for so much heartache I loved what Ms Vaughn did with this story and it was every bit as good as I had hoped it would be Even though I knew Ms Vaughn wouldn't make it easy for Soren and would make him work for his happiness I also love how much more of Soren we get to see Even after 4 other books there was still quite substantial character growth and development Angela 5 star review Aviva Vaughn writes a lot like the classics Jane Austen especially She loves her slow burn and realistic writing I personally do as well It is believable and gripping I often feel as if I am sitting right there in the same room as the characters or on the beaches of Costa Rica I can taste the foods and smell the saltwater on the air Her story lines are just as realistic and this is ever present in the story of Soren Liz USA 5 star review It hooked me in from the very beginning and I didn't want to put it down until I had read the final page I love how no matter what the scene is the author is so descriptive that you feel like you are right there with the characters This is a wonderfully written story that I would highly recommend reading Laura USA 5 star review I have been so looking forward to reading the next instalment in this series I have truly fallen in love with the characters in the story and the author Her writing completely absorbs me into the amazing world that she had created Her beautiful descriptions of the settings for the stories are a huge plus for these books her attention to detail is amazing I've tried not to have a favourite book in this series because I have loved them all so far but I think this one may just take the top spot I absolutely loved it and I really cannot recommend the book and the series enough Katie 5 star review FROM THE AUTHOR Dearest Reader I wrote BECKONED for many reasons but first and foremost I wrote it to feature the kind of people I know diverse smart complicated men and women My heroines are strong and educated and my heroes are polite and respectful As an avid reader I wanted to see characters that looked like me and my friends and reflect the world I want to see I also wanted to write a beautiful book I consider BECKONED to be a modern story told in an old fashion way with lots of metaphors and beautiful phrases and where the sex is explicit but also elegant So if you are a Word Nerd like me then you will love BECKONED If you choose to embark on this journey with me you and your taste buds will get to visit London Barcelona Bath Los Angeles Honolulu Costa Rica New Zealand and Copenhagen It will be a fun and delicious ride There are even recipes in some of the books as well as soundtracks to give you a multi sensory experience BECKONED is a single story in six parts and should be read in order The intimacy is steamy but it is sloooooow burn and is distributed throughout the books because of how the couples relationships change and deepen Birthing BECKONED has truly been a labor of love and I hope you enjoy reading it as much as I enjoyed writing it BUCKLE UP and enjoy the journey Wishing you love and romance Aviva
