True Stories Illustrating the Sufficiency of God's Resources in Scripture

HOLY  
BIBLE

EDITORS **Stuart Scott and Heath Lambert**  
FOREWORD BY **John MacArthur**

# Counseling The Hard Cases

**Heath Lambert**

## **Counseling The Hard Cases:**

**Counseling the Hard Cases** Stuart Scott, Heath Lambert, 2012-06-01 Biblical counselors have worked for decades to demonstrate that God's resources in Scripture are sufficient to help people with their counseling related problems. In *Counseling the Hard Cases*, editors Stuart Scott and Heath Lambert use the true stories of real patients to show how the truths of God's Word can be released to bring help, hope, and healing into the lives of those who struggle with some of the most difficult psychiatric diagnoses. From pastors and academics to physicians and psychiatrists, a world-class team of contributing counselors share accounts of Scripture having helped overcome bipolar, dissociative identity, and obsessive compulsive disorders, postpartum depression, panic attacks, addiction issues from childhood, sexual abuse, homosexuality, and more. The book also shows how the graces of Christ as revealed in the Bible brought powerful spiritual change to the lives of such people who seemed previously burdened beyond hope by mental and emotional roadblocks. Contributors include John Babler, Ph.D., Kevin Carson, D.Min., Laura Hendrickson, M.D., Garrett Higbee, Psy.D., Robert Jones, D.Min., Martha Peace, RN, Steve Viars, D.Min., and Dan Wickert, M.D.

**Counseling the Hard Cases a Critical Review** Martin Bobgan, Deidre Bobgan, 2016-01-05 The book *Counseling the Hard Cases* was co-edited by Stuart Scott and Heath Lambert, seminary professors in biblical counseling. This Critical Review reveals that the lynchpin for Scott and Lambert's house of cards is their view of mental illness. Their fallacious view is a disaster in the making and a danger to those who counsel and their counselees. Believing teaching and promoting such a view of mental illness will lead to calamities as it places in litigious danger those who will foolishly follow and copy cat counsel with confidence accordingly. This can easily be a great detriment and disaster to those who receive such counseling. This Critical Review issues the following warning: Do not blithely blindly and blatantly play follow the leader with the ten case studies showcased in *Counseling the Hard Cases*. Do not take literally these ten cases and the inferred claim that you too can cure through biblical counseling the hard cases listed in *Counseling the Hard Cases*.

**Counseling the Hard Cases** Stuart Scott, Heath Lambert, 2015 Real life stories from the counseling and medical field about the sufficiency of God's resources in Scripture to bring help, hope, and healing to difficult psychiatric diagnoses from bipolar and obsessive compulsive disorders to postpartum depression, panic attacks, etc.

**A Theology of Biblical Counseling** Heath Lambert, 2016-04-05 A landmark textbook for Christian counselors that unpacks the core theological convictions behind sound counseling and outlines practical wisdom for counseling today. Since the beginning of the biblical counseling movement in 1970, biblical counselors have argued that counseling is a ministry of the Word, just like preaching or missions. As a ministry, counseling must be defined according to sound biblical theology rather than secular principles of psychology. For over four decades, biblical theology has been at the core of the biblical counseling movement. Leaders in biblical counseling have emphasized a commitment to teaching doctrine in their counseling courses out of the conviction that good theology leads to good counseling and bad theology leads to bad counseling. *A Theology of Biblical*

Counseling is an ideal resource for use in training biblical counselors at colleges seminaries and training institutes In each chapter doctrine comes to life in real ministry to real people dramatically demonstrating how theology intersects with the lives of actual counselees *John Newton's Theology of Suffering and Its Application to Pastoral Care* Keith

Palmer,2025-05-22 John Newton was an eighteenth century Anglican minister who is best known as the writer of the hymn Amazing Grace Yet he was also the leading pastoral counselor of his generation who kept up a prolific letter writing ministry of pastoral care to dozens of people from all walks of life who wrote seeking his advice But why was Newton s counsel so popular This work seeks to answer this question by exploring Newton s unique theology of suffering which formed an essential structure that informed and shaped his model of soul care Influenced by this doctrine Newton s manner and methodology of pastoral care is explored highlighting key principles of his strategy as he sought to care for others Finally two examples of Newton s counsel are considered his ministry to his wife during her chronic health issue and his care of the poet William Cowper through his decades of struggle with depression In Jesus' Name John D. Laing,2010-01-01 Can military

chaplains pray in Jesus name Are they allowed to share their faith openly Are evangelical Christians persecuted in the military Does the general prohibition against proselytizing in the military violate soldiers Constitutional rights Are liberalism and or universalism implicitly endorsed by the military and political leadership as the preferred religion of the United States government In this timely and important book John Laing draws upon his knowledge as a professor of theology and philosophy and his experience as an Army chaplain in order to address these questions and more with a view to answering the larger theological question of whether evangelicals can successfully serve as military chaplains while remaining true to their conservative biblical beliefs and evangelistic commitments While the book is primarily written for those involved or interested in military chaplaincy it has a broader appeal as the issues discussed are relevant to all areas of chaplaincy healthcare institutional public service campus and marketplace **The Failure of Evangelical Mental Health Care** John

Weaver,2014-11-17 In the evangelical community a variety of alternative mental health treatments deliverance exorcism biblical counseling reparative therapy and many others have been proposed for the treatment of mentally ill female and LGBT evangelicals This book traces the history of these methods focusing on the major proponents of each therapeutic system while also examining mainstream evangelical psychology The author concludes that in the majority of cases mental disorders are blamed on two main issues sin and demonic possession oppression and that as a result some communities have become a mental health underclass who are ill served or oppressed by both alternative and mainstream evangelical therapeutic systems He argues that the only recourse left for mentally ill female and LGBT evangelicals is to rally for reform and increased accountability for both professional and alternative evangelical practitioners **Biblical Crisis Counseling** John

Babler,2014-11-20 The word crisis comes from the Greek krisis which literally means decision When trials temptations disasters personal sin or anything else bring us to a point of crisis how we respond the decisions we make and actions we

take will either reflect a faithful obedient God honoring heart or a doubtful self centered one Because crises bring about the need to make many decisions Christians are afforded opportunities to glorify God by making choices and acting in ways that honor Him The Biblical Crisis Intervention model presented in this book provides a template upon which the counselor can base his or her crisis ministry As the world provides temporary solutions to those in crisis the Biblical Crisis Intervention Model offers an opportunity for those in crisis to find the healing that God offers

**Dr. Babler's Counseling Notes** John Babler, 2018-11-05 This book is designed to be a tool to help Biblical Counselors and other Christians become more effective at ministering Scripture When God began to show the author the sufficiency of His Word for counseling as well as for all of ministry and life he quickly realized that there was much more than he could memorize or know where to find As he read and studied the Bible and encountered a verse or passage he thought would be useful in counseling he began writing a topic or description along with the verse reference on the blank pages in the back of his Bible He also began to make those notes available to students and was told they were very helpful as they learned to minister Scripture This book lists these topics and descriptions as well as providing some other tools It is concise and designed to spur readers to add their own notes and topics to make it personal them

**The Pragmatic Turn in Law** Janet Giltrow, Dieter Stein, 2017-06-12 In legal interpretation where does meaning come from Law is made from language yet law unlike other language related disciplines has not so far experienced its pragmatic turn towards inference and the construction of meaning This book investigates to what extent a pragmatically based view of linguistic and legal interpretation can lead to new theoretical views for law and in addition to practical consequences in legal decision making With its traditional emphasis on the letter of the law and the immutable stability of a text as legal foundation law has been slow to take the pragmatic perspective namely the language user's experience and activity in making meaning More accustomed to literal than to pragmatic notions of meaning that is in the text rather than constructed by speakers and hearers the disciplines of law may be culturally resistant to the pragmatic turn By bringing together the different but complementary perspectives of pragmatists and lawyers this book addresses the issue of to what extent legal meaning can be productively analysed as deriving from resources beyond the text beyond the letter of the law This collection revisits the feasibility of the notion of literal meaning for legal interpretation and at the same time the feasibility of pragmatic meaning for law Can explications of pragmatic meaning support court actions in the same way concepts of literal meaning have traditionally supported statutory interpretations and court judgements What are the consequences of a user based view of language for the law in both its practices of interpretation and its definition of itself as a field Readers will find in this collection means of approaching such questions and promising routes for inquiry into the genre and field specific characteristics of inference in law In many respects the problem of literal vs pragmatic meaning confined to the text vs reaching beyond it will appear to parallel the dichotomy in law between textualism and intentionalism There are indeed illuminating connections between the pair of linguistic terms and the more publicly controversial legal ones

But the parallel is not exact and the linguistic dichotomy is in any case anterior to the legal one Even as linguistic pragmatic investigation may serve legal domains the legal questions themselves point back to central conditions of all linguistic meaning     **Scholarship Administration** Elizabeth Stoughton Rawls,1929     Finally Free Heath Lambert,2013-08-06

Eight gospel centered strategies for overcoming the lure of pornography and finally breaking free This book is not about pornography You won t find graphic depictions about the porn industry the catastrophic effects it has on individuals and relationships or how to think differently about porn If you re reading this book you probably have some understanding of those things already the last thing you need is to be subjected to that kind of detail again Finally Free is about hope It s about discovering the freeing power available to those who trust in Jesus Christ who can will and does set people free from the power of pornography Dr Heath Lambert a leader in the biblical counseling movement has organized this book around eight clear and practical tactics you can wield to make it easier to flee lust and temptation and shelter in the protection of God s grace Each chapter Clearly demonstrates how the gospel applies to the fight against sexual temptation Lays out relevant methods for leaning on Christ s strength both in advance of and in moments of temptation Explains how Jesus can move readers from a life of struggle to a life of purity If you ve struggled personally against the powerful draw of pornography or if you ve ever tried to help someone fighting this battle you know how hard it is to break its bonds But there is good news no matter how intense or long standing the struggle Jesus Christ has the power to free people from the enslaving power of pornography The Gospel has a power that works practically in the lives of those who seek to imitate Christ and you can learn how to live into that power     *Sex and the Marriage Covenant* John Kippley,2014-01-23 The thesis of this book is that God intends that sexual intercourse should be at least implicitly a renewal of the marriage covenant From this it follows that the marriage covenant provides the criterion to evaluate the morality of every sexual act Thus the title Sex and the Marriage Covenant is an appropriate description of the book s contents Marriage comes into being by a couple unreservedly entering God s covenant of marriage contraceptive intercourse contradicts the very essence of the marriage covenant From these considerations Kippley developed the covenant theology of sexuality described in this book     AIDS Elliot D. Cohen,1994-04

Professionals face tough questions raised by the AIDS pandemic     **Proceedings** ,1990     Cases Argued and Determined in the Supreme Court of Louisiana Louisiana. Supreme Court,1916     State Governments Donald Roy,2005-11-15 In State Governments Institutions and Issues a dialogic approach is used to provoke discussion regarding the major institutions of state governments today federalism tribal governments governors legislatures judiciaries and elections Public policy issues sprawl educational choice welfare and health care reform water taxes living wages and lotteries also are subjected to dialogic treatment Unlike the function of textbooks that provide general descriptive coverage these dialogues focus on the arguments and principles and the reasoning and evidence that bear on the lively practices of our political institutions and public policy debates Some major overriding questions are Where is power and leadership best located What is the proper

role of state government What makes for social justice in a capitalistic democracy Where and when should our state governments take the initiative to improve citizens quality of life Readers are invited to use their decision making and conflict resolution skills often this means a balancing and weighing process to fashion reasonable public policy outcomes These dialogues also serve as a springboard for discussion and or doing research that would dig more deeply and thoroughly into public policy issues
