Thoughts and Near Thoughts by Jim Harris Jim Harris, 2016-06-16 Words mean things They are pregnant with imagery tone meaning and texture They are building blocks by which we can construct silly things or serious things We can instruct and insult with our language I choose to encourage and instruct This book is a collection of thoughts ideas jokes and truths As a Christian I am deeply committed to the Bible and the God who inspired it My passion in life is to expose people to the truth of the scriptures and make their lives better I also love to laugh and make people laugh That is a genuine joy in my life I hope this book does two things for you I pray it makes you think about your relationship with Christ and I pray it makes you laugh Life is simply too abbreviated not to enjoy the daily stage on which we live Enjoy this book It was written for you Enjoy your life It was gifted to you
