*Turfloop a Conscious Pariah* Kanyane Chris Kanyane,Chris Kanyane,2010 This book provides reflections on the butterfly effect on how Turfloop brought in the Age of Barack Obama What is the Age of Barack Obama To paraphrase Dr Ineke Van Kessel a prominent historian at the Leiden University in the Netherlands The University of the North also known as Turfloop played a vital role as the center of communication coordination ideological direction the engine of bringing the new South Africa was University of the North We approached this book like detectives Fortunately in our detective work we were not concerned with a particular agenda we were not trying to prove that a certain method of thinking was right or wrong We didn't want this book to be filled with personal opinions and biases We wanted this book to be juicy and accessible to every person who reads it in whatever corner of the world We have to back up our story with facts of course and get other people to do practical analysis and later we added our own perspectives When we completed writing this book we passed it around amongst critical people spread across the globe Most of them said that the book is somehow highbrow and at the same time all together lowbrow which came as a compliment A lot of people are somewhere in between We want this book to embody that because there are many people there we want them to appreciate this book *The Black Homelands of South Africa* Jeffrey Butler,Robert I. Rotberg,John Adams,1978-10-09 Monograph examining the political development and economic development of the Black homelands regions of Bophuthatswana and Kwazulu Covers legal aspects of apartheid political and economic administration sources of income and public finance leadership development and homeland public administration etc and comments on relevant legislation and future development planning *African Students and Study Programs in the United States* United States.
