Sustainable Enterprise Mark Peterson, 2012-10-08 This book is appropriate for the following courses Sustainable Enterprise Sustainable Business Practices Sustainability Marketing Society Social Marketing Sustainable Enterprise A Macromarketing Approach goes beyond the internal firm strategies of micromarketing and the four Ps to take a broader perspective focused on the interconnectedness of markets marketing and society In a globalized society concerned with social and environmental sustainability this book encourages students to think critically about the opportunities and limitations of marketing as well as its positive and potentially negative effects Through the presentation of key research findings and actual company cases Peterson engages students with questions such as How do firms use sustainability concepts to navigate their firms in global business today Why do markets change How can firms conduct business profitably with the environment in mind How can firms conduct business profitably with poor consumers in mind Based on the premise that firms using holistic marketing strategies are better able to assess risks and identify opportunities this text explains how firms can approach the marketplace to benefit the company key stakeholders and society at large The result is a one of a kind book that successfully explores macromarketing for sustainable enterprise **The SAGE Handbook of Marketing Ethics** Lynne Eagle, Stephan Dahl, Patrick De Pelsmacker, Charles R. Taylor, 2020-10-05 The SAGE Handbook of Marketing Ethics draws together an exhaustive overview of research into marketing's many ethical conundrums while also promoting more optimistic perspectives on the ways in which ethics underpins organizational practices Marketing ethics has emerged in recent years as the key and collective concern within the ever divergent fields of marketing and consumer research This handbook brings together a rich and diverse body of scholarly research with chapters on all major topics relevant to the field of marketing ethics whilst also outlining future research directions PART 1 Foundations of Marketing Ethics PART 2 Theoretical and Research Approaches to Marketing Ethics PART 3 Marketing Ethics and Social Issues PART 4 Issues in Consumer Ethics PART 5 Ethical Issues in Specific Sectors PART 6 Ethical Issues in the Marketing Mix PART 7 Concluding Comments and Reflections *Sustainable Marketing* Mark Peterson, 2021-04-28 Building on the idea that holistic marketing strategies allow firms to assess risk and realise opportunities this book draws on new research and industry examples to help you recognize effective sustainability practices that benefit companies stakeholders and society With an issue based approach that dissects the interplay between marketing and society the author encourages readers to critically engage with the changing nature of markets how companies can adapt to sustainability guidelines and environmental threats while still remaining profitable in today's global market Using a range of examples including Costco Juul Facebook Patagonia and Bitcoin Peterson highlights the importance of social issues facing businesses today such as poverty alleviation the drive towards more green living corporate social responsibility within firms and political pressures such as emissions guidelines and reducing the global carbon footprint The Mavericks Who Made It feature also highlights key entrepreneurs throughout

history their key successes and their impact on sustainable marketing
