The bottom left shows a group of soldiers in camouflage uniforms, some sitting and some standing, in a desert-like environment. The bottom right depicts the illuminated St. Basil's Cathedral in Moscow at night. The title 'counterpoints' is centered across the middle, with 'counter' in orange and 'points' in white. The authors' names are in the top right, and the subtitle is below the title.

Counterpoints Exploring Canadian Issues Guide:

Teacher's Guide for Counterpoints Dennis DesRivieres, Michael William Cranny, 2001 *The Impact of Multiculturalism on Public Education, 50 Years Later*, 2024-12-09 This volume grew out of a symposium held at the University of Alberta in March 2021 in commemoration of the 50th anniversary of official multiculturalism in Canada. Scholars gathered online during the Covid 19 pandemic to take stock and reflect on the extent and ways multiculturalism legislation and evolving policy has impacted education. Scholars used varied and contrasting approaches to educational theory to think about multiculturalism and its impacts including terror management theory, the riddle scale art theory and pentimenti, transitional justice, intraminority and interminority relations, the null curriculum and ideas of cultural humility, hope and cultural comfort among others. A Topical Guide to Schenkerian Literature David Carson Berry, 2004 To the growing list of Pendragon Press publications devoted to the work of Heinrich Schenker, we wish to announce the addition of this much needed bibliography. The author, a student of Allen Forte, has created a work useful to a wide range of researchers: music theorists, musicologists, music librarians and teachers. The Guide is the largest Schenkerian reference work ever published. At nearly 600 pages, it contains 3600 entries: 2200 principal, 1400 secondary, representing the work of 1475 authors. Fifteen broad groupings encompass seventy topical headings, many of which are divided and subdivided again, resulting in a total of 271 headings under which entries are collected.

Those listed are carefully selected because of the positions they hold in Canadian society or because of the contribution they have made to life in Canada. Entries are added each year to keep current with developing trends and issues in Canadian society. Included are outstanding Canadians from all walks of life: politics, media, academia, business, sports, and the arts, from every area of human activity: memberships, creative works, honours and awards, and full addresses.
