She was 57 when she had her first exhibition. Behind this late coming out lay a long and unusual preparation in looking at nature for its aesthetic qualities, collecting found objects, making flower arrangements and practising ikebana. Her art found an appreciative audience from the start. She was a people person and it pleased her that through her exhibiting career of 25 years her works were acquired by people of all ages, interests and backgrounds as well as by the major public institutions on both sides of the Tasman Sea. **Foam Crafts for Kids** Suzanne McNeill, 2021-02-01 Readily available in a dazzling array of bright colors and fun shapes, inexpensive craft foam produces none of the mess that goes along with painting and other activities.
