Compass Study Guide Torrents:

A Torrent of Faith Eugene H. Strayhorn Jr., 2019-10-22 Paul Langdon is a struggling real estate broker By nature he is a cautious man and adverse to taking risks While scouting out a tract of land that might be available for development Paul loses his way in the woods After wandering helplessly for several days he is saved by the interventions of a wolf except there are no wolves in upstate New York As a lukewarm Christian Paul discovers that his faith in God has been challenged by his miraculous encounter He begins to reassess what he truly believes Two additional miracles each more compelling than its predecessor combine to strengthen his spiritual devotion As uncertainties arise Paul struggles to come to terms with his newfound faith Then one day he and his wife Rachel are devastated to learn that their eight year old daughter has a rare genetic disorder Within eighteen months Alicia s immune system will begin attacking her heart She will not survive Although fully expecting another miracle Paul resolves to do everything in his power to see his daughter healed Yet his efforts are thwarted at every turn His enemies conspire to block the real estate development that will pay for his daughter s medical care Every therapy that might offer a glimmer of hope is denied to Alicia for technical reasons At length Paul realizes he is out of options He has reached the limits of his own abilities This story explores the nuances of genuine faith and in light of God s sovereignty what trusting Him truly means
