Derrick Trimble

Competent Communication Manual Projects:

Journey from CC1 to CC10 Rukhman Singh Rathore, The book is a compilation of my first 10 speeches in Toastmasters These speeches are the 10 projects from the Competent Communicator manual that is given to every new member who joins Toastmasters This book was written in order to record the work done by me Mentoring Derrick Trimble,2015-01-13 The gift of mentoring is one of the benefits offered through a Toastmasters International club educational program If a club has a mentoring program established this book will stimulate new thinking for consideration Is a club struggling to meet the expectation of a mentoring program Mentoring Value Based Empowerment offers insights for developing a transformational mentor experience An essential element of any successful club level mentoring program is to demonstrate the Toastmasters International values of respect integrity service and excellence *Raising a Toast* Pramit Pratim Ghosh,2021-02-05 Raising a Toast is a compilation of 20 speeches that I had the good fortune of delivering in my journey as a Toastmaster Most of these speeches have sprung from my personal anecdotes some funny some thought provoking Few speeches will tell you stories of past and present of people and places through my eyes And then there are a couple of speeches that raise some questions for you and me to reflect upon But one common link that binds them all is the stage of Toastmasters where they found life Each of these speeches gave me an opportunity to pen down some burning message inside of me to share my story to any audience which was willing to listen to connect with those who took back something from what I had to say Raising a Toast is a humble attempt to carry these anecdotes these stories these questions from the conventional stage to the paperback stage Written with the sole agenda of reaching out to more souls out there who are willing to listen And with the hope that when they read this they get inspired to share their set of stories with the world **The Phoenix Lecturer** Loga Narayanasamy,2025-03-03 Loga Narayanasamy an English lecturer for nearly two decades shares his inspiring journey in The Phoenix Lecturer An English Teacher s Journey of Rising from Ashes to Inspire Beginning with his rise as a high profile educator in 2010 the memoir focuses on the turbulent years from 2018 to 2020 when he faced life threatening challenges due to a harmful association Originally a personal journal the book explores resilience personal growth and the power of storytelling Narayanasamy hopes to inspire readers especially the younger generation by encouraging them to share their own narratives and overcome obstacles to achieve their dreams *The Power of Promotion* Rae A.
