Instructor: Deborah Burns

**Prerequisite:** Keyboarding

**Grade Level:** 9

**Length:** Year

**Core Data Course Code:** 034352

**CIP Code:** 11.0601

**Course Rationale:** This area of instruction provides content for knowledge and skills required in the technology-based workplace. The demand will continue to expand for individuals to use computer hardware and software to create documents, gather information, and solve problems. This class is vital for students planning to enter the workforce or postsecondary education.

**Course Description:** This course is designed to help students master beginning and advanced skills in the areas of word processing, database management, spreadsheet applications, desktop publishing, multimedia, Internet usage, and integrated software applications. Other topics include file management on local, network and cloud-based storage media; as well as navigation of web-based information, data security and personal information assurance.

**Course Objectives:** Upon completion of Computer Applications, the student will be able to:

1. Use operating system tools to manage local, network and cloud-based content.
2. Use word processing software to create, edit and format documents.
3. Use spreadsheet software to calculate, organize, edit and present numerical data.
4. Use database software to create files, enter and edit data, perform queries, and create forms and reports.
5. Use presentation software to create, edit, and enhance presentations.
6. Use browser applications to navigate web-based information sources and applications.
7. Use e-mail applications to manage contacts, calendar and send/receive messages.
8. Identify and recognize appropriate data security practices and information assurance.

### Course Assessment:

1. Informal evaluation to check student progress shall include teacher observation of the student's class participation, discussion and application of material presented.
2. The grading scale listed in the Student Handbook will be used. All grading policies discussed in the student handbook are also applicable.
3. Grades will be based upon daily assignments, tests, and other projects.
4. Daily participation grades will be recorded weekly.
5. Students will be notified of their grades periodically throughout each quarter. Additional updates may be requested at any time during the quarter.

### Course Materials:

1. The textbook is CMPTR (with CourseMate), 3<sup>rd</sup> Edition, Pinard/Romer.
2. Microsoft Office 2016 will be utilized.

### **Computer Applications In Education Chapter Objectives Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Computer Applications In Education Chapter Objectives has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Computer Applications In Education Chapter Objectives has opened up a world of possibilities. Downloading Computer Applications In Education Chapter Objectives provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Computer Applications In Education Chapter Objectives has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Computer Applications In Education Chapter Objectives. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Computer Applications In Education Chapter Objectives. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Computer Applications In Education Chapter Objectives, users

should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Computer Applications In Education Chapter Objectives has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
