

Business Objects – Infoview

- Left side of the screen is the **Navigation Map**
- Right side displays the report details
- To view any prompts (variables), click **User Prompt Input**

The screenshot displays the IRIS Infoview application. On the left is the Navigation Map. The main area shows a report titled "Ledger: Funds Center Balances - Budget vs. Actuals". The report contains a table with columns for "Funds Center", "Budget", "Actuals", and "Variance". The table lists various funds centers and their corresponding budget and actual values. A red circle highlights the "User Prompt Input" button in the bottom left corner of the report area, with an arrow pointing to it from a larger red circle in the top left corner of the report area.

BusinessObjects XI Release 2 For Dummies Derek Torres, Stuart Mudie, Julie Albaret, 2011-02-04 BusinessObjects may seem like a dauntingly complex topic but BusinessObjects XI Release 2 For Dummies makes it a snap. Even if you're new to business intelligence tools, this user-friendly guide makes it easy to access, format, and share data; analyze the information this data contains; and measure your organization's performance. In no time you'll be finding your way around Universes to see how everything is shaping up; viewing and creating reports; building powerful queries on your organization's database; and measuring your company's performance using BusinessObjects XI Release 2. This completely jargon-free handbook will put you in complete control of the ways and means of a truly exciting and powerful suite of business intelligence tools. Discover how to make business decisions with help from BusinessObjects. Use BusinessObjects XI wizards. Perform a server installation. Create and define a Universe. Set up desktop reporting. Customize and use InfoView. Measure performance with Dashboard and Analytics. Take advantage of data marts and understand how they fit into your BusinessObjects system. Created by a team with more than 15 years combined experience working with BusinessObjects tools. BusinessObjects XI Release 2 For Dummies comes complete with several short lists of useful information including tips on how to prepare for a successful BusinessObjects integration and helpful resources beyond the pages of this book. You'll also find an overview of Crystal Reports, BusinessObjects companion reporting tool. [Pro Crystal Enterprise / BusinessObjects XI Programming](#) Carl Ganz, 2007-04-30 Pro Crystal Enterprise BusinessObjects XI Programming shows you how to create customized solutions using the Business Objects Crystal Enterprise object model. Here you'll see the object model utilized to create professional quality tools like on-demand web services, report metadata extraction, scheduling, security, and user management. Author Carl Ganz explains in detail how to build advanced reporting solutions for Crystal Enterprise Business Objects XI. He shows how to integrate CE BO XI with .NET 2.0 and Visual Studio to create more flexible, tailored, and responsive reporting solutions than have previously been possible. In short, you'll surpass what you thought you could achieve and learn to create almost any imaginable reporting solution that Business Objects XI can handle. **Crystal Reports XI Official Guide** Neil FitzGerald, et al., 2006-11-01 The authorized guide to the latest edition of the 1 business intelligence software product Crystal Reports. More than 16 million licenses of Crystal Reports have been shipped to date. This book is a reference designed to provide hands-on guidance for the latest release of the product suite. The latest version of Crystal Reports and the Business Objects enterprise reporting suite delivers vast product enhancements and a tighter integration that will drive upgrades from licensees. Brand new features, e.g., Dynamic and Cascading Parameter Generation, will also appeal to new audiences. Over 1 million new Business Intelligence licensees will be migrating to the Crystal Enterprise Reporting platform as this is the first release of the software with the existing Business Objects BO products being integrated into the Crystal infrastructure. As Business Objects insiders, the authors bring unique and valuable real-world perspectives on implementations and uses of the Crystal Reports.

product The book also includes content tutorials and samples for reporting within the Microsoft Visual Studio NET and J2EE development environments and also on top of the SAP Business Information Warehouse BW and the Peoplesoft platform Advanced content on report distribution and integration into the secured managed reporting solution known as Business Objects Enterprise XI is also now included in this definitive user guide with coverage on the new Web Services SDK

Business Objects Infoview User Guide Introduction

In the digital age, access to information has become easier than ever before. The ability to download Business Objects Infoview User Guide has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Business Objects Infoview User Guide has opened up a world of possibilities. Downloading Business Objects Infoview User Guide provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Business Objects Infoview User Guide has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Business Objects Infoview User Guide. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Business Objects Infoview User Guide. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Business Objects Infoview User Guide, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Business Objects Infoview User Guide has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Business Objects Infoview User Guide Books

What is a Business Objects Infoview User Guide PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Business Objects Infoview User Guide PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools.
