Comparative Guide To Nutritional Supplements 2012:

Five Alive Dr.Charles Lemon,2020-01-08 We are at a crossroads in health care as many of us suffer from hard to treat health conditions and multisystem diseases and syndromes that are on the rise Modern medicine and technology have failed at keeping us healthy and or improving many conditions like cancer heart disease diabetes metabolic syndrome autoimmune disease depression allergies and dementia to name only a few We have abandoned the way our bodies are designed to stay healthy In reality many orthodox and standard treatments disrupt or bodies normal function and promote these very disorders The answers to many of your health concerns are literally right in front of you in the way you move eat and sleep Small changes can have a great impact Five Alive offers these small changes The goal of Five Alive is to change the standard We have the knowledge and you have the power A single choice each day can make a profound change in your health Five Alive offers a new approach not previously seen Simple safe scientific and low cost actions in each of the three areas of moving eating and sleeping The uniqueness of Five Alive is offered by way of synergy which the recommended actions interacting with the others creating a compound effect Five Alive is not a diet plan or an exercise regime Five Alive can be incorporated into any health and or fitness program diet and or lifestyle and can be used by the very young to the most senior populations This work has its genesis in the need of those seeking easy to follow safe and scientific actions to address their concerns about health issues associated with moving eating and sleeping mood We have taken twenty eight years of suggestions twenty eight years of research education and personal experience and have developed a plan we call Five Alive We have condensed our knowledge and our expertise and have simplified the complex confusing and at times contradictory advice regarding moving eating and sleeping diet exercise and mind We liken this book to a finished statue Initially a large chunk of marble chiseled away over a long period to reveal a simple beautiful piece of work Everyone moves everyone eats and everyone sleeps How well you do each of these will determine how healthy you are **NutriSearch Comparative**
