purpose It struck him at once that shewas waiting for some one but he hardly knew why the idea arrested him There was nothing new about Lily Bart yet he could never see her without faint movement of interest it was characteristic of her that shealways roused speculation that her simplest acts seemed the result offar reaching intentions An impulse of curiosity made him turn out of his direct line to the door and stroll past her He knew that if she did not wish to be seen shewould contrive to elude him and it amused him to think of putting herskill to the test Mr Selden what good luck She came forward smiling eager almost in her resolve to intercept him One or two persons in brushing past them lingered to look for MissBart was a figure to arrest even the suburban traveller rushing to hislast train Selden had never seen her more radiant Her vivid head relieved against the dull tints of the crowd made her more conspicuous than in aball room and under her dark hat and veil she regained the girlishsmoothness the purity of tint that she was beginning to lose aftereleven years of late hours and indefatigable dancing Was it really eleven years Selden found himself wondering and had she indeed reached the nine and twentieth birthday with which her rivals credited her What luck she repeated How nice of you to come to my rescue He responded joyfully that to do so was his mission in life and askedwhat form the rescue was to take Oh almost any even to sitting on a bench and talking to me One sitsout a cotillion why not sit out a train It isn t a bit hotter here thanin Mrs Van Osburgh's conservatory and some of the women are not a bituglier She broke off laughing to explain that she had come up totown from Tuxedo on her way to the Gus Trenors at Bellomont and hadmissed the three fifteen train to Rhinebeck And there isn t anothertill half past five She consulted the little jewelled watch among herlaces Just two hours to wait And I don t know what to do with myself My maid came up this morning to do some shopping for me and was to go onto Bellomont at one o clock and my aunt's house is closed and I don tknow a soul in town She glanced plaintively about the station It IShotter than Mrs Van Osburgh s after all If you can spare the time dotake me somewhere for a breath of air He declared himself entirely at her disposal the adventure struck him asdiverting As a spectator he had always enjoyed Lily Bart and hiscourse lay so far out of her orbit that it amused him to be drawn for amoment into the sudden intimacy which her proposal implied Shall we go over to Sherry's for a cup of tea She smiled assentingly and then made a slight grimace So many people come up to town on a Monday one is sure to meet a lot ofbores I m as old as the hills of course and it ought not to make any difference
