### Ninth Grade Reading Comprehension 2: Lily's Lost Key

Once upon a time, there was a young girl named Lily who lived in a small village. She had a precious key that opened a magical box that her late grandmother had given to her. The box had been passed down for generations, and Lily was the only one in her family who could unlock it.

One day, while playing with her friends, she lost the key. She searched everywhere but couldn't find it. She looked in the park, in the woods, and even in the stream, but it was nowhere to be found. Lily was heartbroken, as the key was very important to her. She couldn't bear the thought of losing it forever.

Days turned into weeks, and weeks turned into months, but the key was still missing. One day, when she was walking home from school, she saw a boy holding her key. She ran towards him and asked where he found it. The boy said he had found it in the park a few weeks ago and had been looking for its owner ever since.

Lily was overjoyed and thanked the boy for his honesty. She was grateful that her key had found its way back to her. She opened the magical box and found a note from her grandmother, which read, "Remember that everything you need is already within you. You just need to believe in yourself." Lily smiled, knowing that her grandmother's words were true.

Questions:

1. What was the key that Lily had?
2. Who gave the box to Lily?
3. Where did Lily lose the key?
4. How did the boy find the key?
5. What did the note from Lily's grandmother say?

Summary Question:

What lesson did Lily learn from the experience of losing and finding her key?
