HCI International 2020 - Late Breaking Posters Constantine Stephanidis, Margherita Antona, Stavroula Ntoa, 2020-11-07

This book constitutes the poster papers presented during the 22nd International Conference on Human Computer Interaction HCII 2020 which was held in July 2020. The conference was planned to take place in Copenhagen Denmark but had to change to a virtual conference mode due to the COVID 19 pandemic. From a total of 6326 submissions a total of 1439 papers and 238 posters have been accepted for publication in the HCII 2020 proceedings before the conference took place. In addition a total of 333 papers and 144 posters are included in the volumes of the proceedings published after the conference as Late Breaking Work papers and posters. These contributions address the latest research and development efforts in the field and highlight the human aspects of design and use of computing systems. The 62 papers presented in this volume are organized in topical sections as follows: HCI theory, methods and tools; mobile and multimodal interaction; interacting with data; information and knowledge interaction; and intelligence; user experience; emotions; and psychophysiological computing. **The**

Routledge Handbook of Social Work Field Education in the Global South Rajendra Baikady, Sajid S.M., Varoshini Nadesan, M. Rezaul Islam, 2022-07-08. This handbook provides an authoritative account of social work field education in the global south. It presents an overview of various aspects of theory and practice modules in the social work curriculum and advances in research in social work field education in the developing world through in-depth analyses and global case studies. Key features: Discusses critical issues and new directions in the theory and practice of social work field education; challenges in field work education; decolonising field work training; developing competent social work graduates; aligning fieldwork with cultural practices in indigenous communities; the idea of clinical social work; and a comparative analysis of social work field supervision. Integrates theory and practice of social work field education for students and teachers from diverse geographical and cultural contexts across the global south including countries from South Asia and Asia, Africa and Latin America and the Caribbean, covering India, Bangladesh, Pakistan, Nepal, Sri Lanka, China, Georgia, Philippines, Turkey, Papua New Guinea, Eswatini, Republic of Trinidad and Tobago, Kenya, Nigeria, South Africa, Botswana, Chile and Barbados. Brings together international comparative perspectives on field work education in social work from leading experts, social work educators and social work professionals. This handbook will be an essential resource for scholars and researchers of social work, development studies, social anthropology, sociology, education, South Asian studies and Global South studies. It will also be useful to educators and practitioners of social work in global institutions of higher studies as well as civil society organisations. *Reflections on the History of Computers in Education* Arthur Tatnall, Bill Davey, 2014-05-05. This book is a collection of refereed invited papers on the history of computing in education from the 1970s to the mid 1990s, presenting a social history of the introduction and early use of computers in schools. The 30 papers deal with the introduction of computer in schools in many countries around the world: Norway, South Africa, UK, Canada, Australia, USA, Finland, Chile, The Netherlands, New Zealand, Spain, Ireland, Israel.

and Poland The authors are not professional historians but rather people who as teachers students or researchers were involved in this history and they narrate their experiences from a personal perspective offering fascinating stories
