**Leather Care Technician Manual** Lonnie McDonald, 2004 Alone in the big city girl on the rise Vivian Anderson was making it by herself She didn't need a man or a relationship She had her family and friends convinced that flying solo was her only option because of her demanding career Of course she had dates but not one person appealed to her All of her previous romances left her dead in the water Was it possible that she had overlooked the man of her dreams Once Vivian stopped searching her knight in shining armor fell into her lap she almost tossed him aside from sheer annoyance Now what to do If only life was simple and uncomplicated Vivian didn't want to make the same mistakes that her parents made yet they were the only examples she had Vivian needed counseling and a role model Would she be able to salvage her relationship with Robert Taylor or would she run from true love as she had done so many times before Vivian finds love but she decides to go against the grain She wants love her way because that is the only way she will agree to it Will she be successful or fail once again **Franchise Opportunities Handbook** United States.
