

Instructional Timeline – 8 th Grade ELAR	
Unit Three State Your Case: Research, Argument, and Persuasion	
Third Six Weeks Suggested Time Frame: = Third Six weeks (5.5 weeks/27 days) 5.5 Weeks: 25 instructional days, 2 days to reteach and/or extend instructions (27 total) November 11 – December 20	
Introduction	The Instructional Timeline, as required by RRISD Local Board Policy (EG – Local, 246909), breaks down the content of each six weeks into smaller, more manageable units of instruction. Teachers must formatively assess student understanding of vertically-aligned objectives and vocabulary for previous grade levels and current grade levels at the beginning and end of the unit as well as throughout the unit. Teachers are responsible for making instructional decisions based on formative assessment data by extending instruction and/or reteaching concepts for mastery within this time frame.
Description	<p>This unit will be focused on investigating persuasive texts using media/advertisements to introduce persuasive strategies and techniques. Students should practice identifying methods used to appeal to human emotions and targeted social groups. Ideas used in propaganda may be taught as an application to literary texts. Poetry should be embedded in this unit.</p> <p>Students will analyze passages in well-known persuasive speeches (see unit 8 in <i>Holt McDougal Literature</i> for selection ideas) for the author's use of literary devices and word and phrase choice (e.g. aphorisms and epigraphs) to appeal to the audience (TEKS 7A). Additionally, they will compare and contrast persuasive texts that reached different conclusions about similar issues and explain how authors reached their conclusions through the analysis of evidence each presents including the use of rhetorical and logical fallacies such as loaded terms, caricatures, leading questions, false assumptions, and incorrect premises. As a formative assessment in this unit, student will write an expository letter to a specific audience that reflects an opinion.</p> <p>During this unit students will be expected to formulate a research question, apply steps to follow a research plan, categorize information thematically, record bibliographic information, differentiate between paraphrasing and plagiarism, identify the importance of citing valid and reliable sources, modify research question(s) if needed, and compare and justify use of sources. Students should document their sources with parenthetical citations referring to a MLA or APA formatting. Students will also create a multi-media presentation during that features their research in this unit.</p> <p>Finally, they will present a well-prepared, fact-based argument defending a position in an essay. Students will be expected advocate for a position (formally or informally) using anecdotes, analogies, and/or illustrations and use eye contact, a proper speaking rate, appropriate volume and enunciation, etc (TEKS 18A-C). This essay is the summative assessment in this unit.</p>
