High school and and college might seem like they're pretty similar, but their are actually some big Differences between them. In High school, you usually have have to go to the same building every day and you're schedule is planned out for you. Your teachers tell you what to do, and you have to follow alot of rules. You also see the same classmates all the time which can be fun but sometime you want to meet new people. In high school you learn a little bit about many subjects like math, english, science and History, so you get a wide range of knoledge. College is a a whole different ball Game! First of all you get to choose what you want to study. That means if you really love animals, you can take alot of science classes to
