Passive Income: Beginners Guide to Passive Income Streams to Gain Financial Freedom James Moore, 2021-09-18 I'd rather go work a 9 to 5, then make passive income while I sleep, said no one ever. Are you sick of the rat race? The 9 to 5 grind? How much would it change your life to add an additional 100, 200 a week to your life? Or how about 1000? Whatever your motivations might be, and whether you want to earn millions or just an extra couple hundred a week, I'm sharing with you my most favorite 7 passive income streams just because of their ease and relative simple startup. I think I speak for most people in saying that 99.9% of people truly don't do a job they truly love or have a passion for, but with passive income streams, you begin to free up your time, which is awesome. This means that you're able to spend more time doing the things you love or spending more time with the people that matter the most to you. At the end of the day, you are the only one that can change your own life, and in truth, your destiny is in your own hands. It's true, I've always had the philosophy that if anyone else can do it, then I can, too, and this applies to all
