Brendan Behan John Brannigan, 2002 This book offers a major reassessment of the work of Brendan Behan 1923-64 author of *The Quare Fellow* *The Hostage* and *Borstal Boy* It charts Behan's intellectual journey from his early imitations of Republican verse and song to his formulation of a literature that could articulate and convey a thoroughly postcolonial critical nationalism Brendan Behan moves beyond the popular image of Behan as a stage Irish rebel and presents his writings as complex representations of the construction and negotiation of identity and culture Behan's plays stories autobiographies poems and newspaper columns composed in mid-century Ireland explore the bonds of language class religion colonialism and nationalism This book argues that Behan's work expands the anti-colonial project of Irish revival writings to articulate a revisionist critique of post-independence Irish nationalism Behan's writings engage in inter-textual dialogue with the writings of Hyde Synge O'Casey Wilde Yeats and Joyce to fashion from them his critical comic interrogations of cultural nationalism
