Dowling, 2007 Author translator social critic and Harvard professor of art Charles Eliot Norton was widely regarded in his own day as the most cultivated man in America In modern times by contrast he has been condemned as the supercilious representative of an embattled patrician caste This revisionary study argues that Norton's genuine significance for American culture and politics today can only be grasped by recovering the vanished contexts in which his life and work took shape In a wide ranging analysis Linda Dowling demonstrates the effects upon Norton's thought of the great

transatlantic humanitarian reform movement of the 1840s the Pre Raphaelite and Ruskinian revolution in art and architecture of the 1850s and the surging liberal optimism that emerged from the Civil War Drawing on numerous deleted passages from Norton s manuscript journals Dowling probes beneath the imperturbable mask of the public Norton bringing to light the elusive private man Returning from Europe in 1873 bereft of his wife and stripped of his religious belief Norton was compelled to confront the painful contradictions within his own liberal political faith In a land given to celebrating freedom of speech Norton would become a speaker subjected to physical threats for opposing the Spanish American War Among a people given to glorying in its superiority to other civilizations he would become a social critic reviled for arguing that the nation was failing to live up to its own most cherished ideals It would be Norton s misfortune shared with others of his generation to watch the golden promise of a victorious war for the Union fade into the unrepentant cynicism of the Gilded Age Yet Norton s militant idealism and heroic citizenship Dowling argues survive now as a vital parable for American civic liberalism in the present day      **Marketing Education and the Real World and Dynamic Marketing in a Changing World** American Marketing Association,1973      Combined Proceedings American Marketing Association,1972 Proceedings of the Spring and Fall conferences      *The History of the Baptist Missionary Society, 1792-1992* Brian Stanley,1992
