

Step 1: Prewriting

A Student Writer's Example of Freewriting:

Write about a time when you could have spoken out in protest but chose not to. Would you make the same decision today?

Student freewriting:

Write for ten minutes ... ten minutes ... at 9 o'clock in the morning — Just what I want to do in the morning — If you can't think of something to say, just write about anything. Right! Time to get this over with — An experience — should have talked — I can think of plenty of times I should have kept quiet! I should have brought coffee to class. Damn. I wonder what the people next to me are writing about. That reminds me. Next to me. Jeff Servin in chemistry. The time I saw him cheating. I was mad but I didn't do anything. I studied so hard and all he did was cheat. I was so mad. Nobody else seemed to care either. What's the difference between now and then? It's only a year and a half.... Honor code? Maturity? A lot of people cheated in high school. I bet I could write about this — Before and after, etc. My attitude then and now.
