Lord, 2009-11-01 Sermons use words And though it may seem obvious that preachers should be careful and exacting in word choice preachers often set aside this aspect of preaching in favor of exegesis form and

sermonic focus and make such language work a secondary task In *Finding Language and Imagery* Jennifer L Lord asserts that because language shapes faith preachers must be disciplined to find fresh words for sermons and to make good choices about both their own words and those borrowed from others By presenting key tools and terms along with writing exercises Lord helps users develop both their understanding of language and their skills to capture the religious imagination of their listeners Book jacket      Handbook of Contemporary Preaching, 2nd Edition Michael Duduit,2024-07-15 The revised and updated 2nd edition of *Handbook of Contemporary Preaching* is a comprehensive textbook on preaching and teaching the Bible Pastors will be better equipped after reading and learning from some of the most notable scholars and pastors on the topic of preaching      **Ways of the Word** Sally A. Brown,Luke A. Powery,2016-05-19 Preaching and the discipline of preaching is at a crossroads The changing realities of church and theological education the diversity of our classrooms and our increasingly complex community contexts leave us in search of tools to help train a rising generation of preachers for a future whose contours are far from clear The questions are immense How to support preachers in contexts that are diverse religiously culturally and ethnically both inside and outside the church How to help students take varied contexts seriously as they are formed as leaders In *Ways of the Word* a dynamic team of master preachers brings much needed help Different in race gender age and tradition both Sally A Brown and Luke A Powery speak with one voice their belief that preaching is Spirit empowered event an embodied vocalized actively received here and now witness to the ongoing work of God in the world They aspire to help students and preachers alike to reflect on a journey of learning by doing They aim to help preachers to become more attuned to the Spirit more adept in preaching s component skills and more self aware about all that is at stake in proclaiming the redemptive work of God in specific contexts      *The Shape of Preaching* Dennis M. Cahill,2007-01-01 Many pastors are just too busy to fellow the latest theories on preaching and sermon form In *The Shape of Preaching* Dennis M Cahill seeks both to educate the working pastor on the current issues of sermon design and enable them to use this design in a way that can change their preaching After first laying the theoretical groundwork with discussions of the theological cultural and literary roots of the new approaches to sermon design Cahill expertly guides the preacher through a practical process for designing sermons that speak to people in the world today      **Choosing to Preach** Kenton C. Anderson,2009-05-26 Today traditional forms of preaching are being scrutinized and challenged The biblical sermon is not immune to the pressure to evolve or even fall by the wayside leaving pastors and seminary students confused over how best to communicate to today s listeners In this forward looking textbook Kenton Anderson delivers a strong call to current and future ministers to indeed choose to preach biblical sermons despite the obstacles to doing so While preaching itself is non negotiable the exact form it takes can be much more flexible allowing people to hear from God as they hear his Word preached Rather than presenting one model or process for preparing a sermon Anderson explains several available options As you discern your message from the Bible will you begin with the text deductive or with the listener inductive Will you

focus on the idea cognitive or the image affective The choices you make lead to five possible sermon structures  
DECLARATIVE make an argument PRAGMATIC solve a mystery NARRATIVE tell a story VISIONARY paint a picture  
INTEGRATIVE sing a song Each model is described in detail and related to well known contemporary preachers including  
John MacArthur Rick Warren Eugene Lowry and Rob Bell This book equips you with a variety of tools for your preaching tool  
kit A CD ROM with additional helpful resources is included as well as discussion questions and practical exercises

Choosing to Preach Kenton C. Anderson, 2006 With the landscape of ministry changing preachers need a variety of tools
