[Cooking at Home](#) David Chang, Priya Krishna, 2021-10-26 NEW YORK TIMES BESTSELLER The founder of Momofuku cooks at home and that means mostly ignoring recipes using tools like the microwave and taking inspiration from his mom to get a great dinner done fast. JAMES BEARD AWARD NOMINEE ONE OF THE BEST COOKBOOKS OF THE YEAR New York Post Taste of Home David Chang came up as a chef in kitchens where you had to do everything the hard way. But his mother, one of the best cooks he knows, never cooked like that. Nor did food writer Priya Krishna's mom. So Dave and Priya set out to think through the smartest, fastest, least meticulous, most delicious, absolutely imperfect ways to cook. From figuring out the best ways to use frozen vegetables to learning when to ditch recipes and just taste and adjust your way to a terrific meal, no matter what, this is Dave's guide to substituting, adapting, shortcutting, and sandbagging, like parcooking chicken in a microwave before blasting it with flavor in a four-minute stir fry or a ten-minute stew. It's all about how to think like a chef who's learned to stop thinking like a chef. *Stir-Frying to the Sky's Edge* Grace Young, 2010-05-04 The stir fry is all things refined, improvisational, adaptable, and inventive. It is the rare culinary practice that makes less seem like more and by which small amounts of food feed many. For centuries, the Chinese have carried their woks to all corners of the earth and re-created stir fry dishes using local and sometimes nontraditional ingredients. The old expression "One wok runs to the sky's edge" means one who uses the wok becomes master of the cooking world. And as the wok user becomes master of the cooking world, so does he become master of the stir fry, one of the greatest techniques of Chinese cookery. The technique and tradition of stir frying, which is at once simple yet subtly complex, is as vital today as it has been for hundreds of years. In *Stir-Frying to the Sky's Edge*, award-winning author Grace Young shares more than 100 classic stir fry recipes that sizzle with heat and pop with flavor from the great Cantonese stir fry masters to the

culinary customs of Sichuan Hunan Shanghai Beijing Fujian Hong Kong Macau Taiwan Singapore and Malaysia as well as other countries around the world With more than 80 stunning full color photographs Young s definitive work illustrates the innumerable easy to learn possibilities the technique offers dry stir fries moist stir fries clear stir fries velvet stir fries and weaves the insights of Chinese cooking philosophy into the preparation of such beloved dishes as Kung Pao Chicken Stir Fried Beef and Broccoli Chicken Lo Mein with Ginger Mushrooms and Dry Fried Sichuan Beans In honoring the traditions of her cultural ancestors who traveled the globe Young offers delectable crossover recipes for Chinese Jamaican Jerk Chicken Fried Rice Chinese Trinidadian Stir Fried Shrimp with Rum Chinese Burmese Chili Chicken and Chinese American Shrimp with Lobster Sauce Expert home cooks and professional chefs teach you the foundations of stir fry mastery in the modern kitchen everything from how to choose season and care for a wok and the best skillet alternative the importance of marinades and the proper technique for slicing meat and poultry for optimum tenderness to how to select and handle Asian vegetables ways to shortcut labor intensive preparations and tips on how to control heat and choose the best cooking oil Fascinating personal portraits illustrate how stir frying is not just a cooking technique but a vital element of China s rich culture With this book Grace Young has created the authoritative guide to stir frying a work that is at once rewarding and beautiful much like the technique of stir frying itself
