This week in Grade 3R

This week in Grade 3 we are exploring new concepts in math and science. We are looking at multiplication and how numbers relate to one another in different ways.

In science, we are exploring the solar system and learning about all the planets within it. Did you know Mars is called the red planet? Ask your child facts about planets this week! They love it!

Reminders

Please remember that we have a field trip coming this week to the planetarium. Your child will need to have the permission form signed and returned by Friday.
