are worth about 21 trillion in market capitalization. It's true you'd make tons of money in the stock market. However, despite its popularity and attractiveness, it remains one of the riskiest ventures, ones that have drained entire bank accounts of unwitting investors. It does take a good amount of knowledge, a tiny bag of tips and strategy to be successful with this stream, and I imagine that's why you are here, isn't it? Have you been wondering how you can get started, avoid all the mistakes, and get to the top without losing your cash? Have you been wondering what strategies professional traders use? Do you find it difficult to visualize the entire process, including what it takes to make a good ROI? Have you been hesitant investing in the stock market because you are scared of math and all the complicated analysis tools? If that's you, then this is your book. You'll learn from scratch everything you need to confidently and safely turn a tiny amount of capital into a successful investment portfolio and build yourself long-term wealth with stocks. More precisely, you'll learn what the stock market is, how it works, and everything you need to know about it before getting started. How to not be limited by the myths and misconceptions about stock investing. How to become a successful stock market investor. How to purchase your first stock. How to select a good stock broker to secure your stocks safely. How to build a successful stocks portfolio. How to reduce losses and make the most gains in stocks trading. How you can start investing in stock with only 100 or less. How to turn your stock portfolio onto a cash flow machine. How to get started with momentum stock trading. The most effective tips and tricks you need to become a successful trader. How to spot a stock that's likely to explode higher. And so much more. Many people fear the stock market because of the perceived uncertainty tag that they give it. While this area has its risks, you can learn and equip yourself with the right skills, transform your mindset, as well as your understanding of this lucrative stream, and ultimately your bank account positively. What's more, you can do that even if you are a complete beginner. And this simple, practical, beginners book is here to help you with that. Don't wait.
