Home and School Reading and Study Guides Donna M. Lusardi, Rosemarie Kent, 2007 **Race to the Bottom** LaFleur Stephens-Dougan, 2020-07-31 African American voters are a key demographic to the modern Democratic base and conventional wisdom has it that there is political cost to racialized dog whistles especially for Democratic candidates However politicians from both parties and from all racial backgrounds continually appeal to negative racial attitudes for political gain Challenging what we think we know about race and politics LaFleur Stephens Dougan argues that candidates across the racial and political spectrum engage in racial distancing or using negative racial appeals to communicate to racially moderate and conservative whites the overwhelming majority of whites that they will not disrupt the racial status quo Race to the Bottom closely examines empirical data on racialized partisan stereotypes to show that engaging in racial distancing through political platforms that do not address the needs of nonwhite communities and charged rhetoric that targets African Americans immigrants and others can be politically advantageous Racialized communication persists as a well worn campaign strategy because it has real electoral value for both white and black politicians seeking to broaden their coalitions Stephens Dougan reveals that claims of racial progress have been overstated as our politicians are incentivized to employ racial prejudices at the expense of the most marginalized in our society A More Perfect Union: by Dr. Ben Carson - Conversation Starters dailyBooks, 2016-12-23 A More Perfect Union by Dr Ben Carson Conversation Starters Limited Time Offer 3 99 4 99 From best selling author Dr Ben Carson comes A More Perfect Union What We the People Can Do to Reclaim Our Constitutional Liberties In the book Carson talks about the United States Constitution and its importance to the health
