The Dairyman. A Practical Guide to Cow Keeping and the Making of Butter and Cheese John Darton, 1872 **Tropical Dairy Farming** John Moran, 2005-12-08 Tropical Dairy Farming is a manual designed for use by dairy production advisors working in tropical areas especially in South East Asia It aims to increase the productivity of small holder dairy farmers in the humid tropics by improving the feeding management of their livestock It shows how to provide dairy cows with cost effective feeds that match small holder farming systems and discusses the major obstacles to improving feeding management in the humid tropics The author shows the benefits and drawbacks of various feed components and the calculation of balanced diets based mainly on forages combined with some supplementary feeding Diseases and problems associated with unbalanced diets are also covered as well as important information on growing and conserving quality forages as silage The book draws on examples from a variety of countries including Indonesia Malaysia Thailand Vietnam China East Timor and the Philippines **Calf rearing guide** Sally J. Charlton, 2009 **Rearing Young Ruminants on Milk Replacers and Starter Feeds** Upoor Krishnamoorthy, John Moran, 2011 This manual presents comprehensive information on the preparation and feeding of milk replacers and starter feeds for pre ruminants Although the substitutes for dam's milk can be prepared from by products of milk and feed ingredients that are not preferred for human consumption awareness about such alternatives is limited in many developing countries Therefore popularization of preparation and feeding of milk replacers and starter feeds using locally available ingredients is useful in promoting survivability and growth of young stock The target audiences for this manual are livestock extension workers engaged in developing countries The manual is also useful for students and teachers of ruminant production and for small scale industries and researchers that wish to produce milk replacers and starter feeds *Animal Welfare in Extensive Systems* Severiano Silva, George Thomas Stilwell, 2023-01-30 **Australian Journal of Agricultural Research**, 2006 **The Cow, a guide to dairy-management and cattle-rearing** Cow, 1880
