**Revelation in the Song of Songs** Vola Masoandro Andrianarijaona, 2025-01-29 Song of Songs or Shir Hashirim is a very special book of the Bible for many reasons For example it is the most metaphorical opening the door to many different interpretations that do not oppose each other It is also one of the books that does not contain any of God's names at least in the most used versions of the Bible It holds quite a few Guinness Bible Records in terms of word occurrences and word first appearance In light of this Song of Songs should be fascinating but most studies of it have followed a narrow and limited path The book has often been seen as primarily a story about a woman and a man deeply in love And it certainly contains that aspect in striking detail Some parents would not dare read it aloud in front of their children Sermons based on verses from Song of Songs are almost always linked to marital relationships or something similar But is that all this book is about Certainly not In fact the Son of God used a connotation found only in Song of Songs in the last prophecy he gave on his way to Calvary The study of Song of Songs alongside the book of Daniel and Revelation hints of prophetic aspects For example Song of Songs describes in detail the seven churches of Revelation It also alludes to the two statues of the book of Daniel And the four beasts Yes they have their allegories there as well God's laws Of course Even the sealing of God's people was not left out Country living There is no way to miss it The Great Controversy and how it ends this is perhaps the greatest message of the book

Augustus, 2018-08-09 If you are a Seventh day Adventist Christian you have no doubt heard of The Shepherd's Rod a message of present truth and reform first presented to leaders of the Seventh day Adventist Church in the years 1929 and 1930 It has created much controversy In What Every Seventh day Adventist

Should Know about The Shepherd s Rod author Garrick D Augustus brings to light the historic and the theological reasons behind the rejection of The Shepherd s Rod message It exposes the systematic misinformation as well as the willful manipulations of the facts surrounding Victor Houteff and the movement he began more than eight decades ago It provides clear and accurate answers to the questions raised against the Rod s message And it answers the objections church leaders have historically offered as proof against its bearing the credentials of inspiration Augustus fused the forensic methods of evidence analytics as well as the investigative method of internal evidence analysis to the claims brought against the message by the leaders of the Seventh day Adventist Church His research took him from the Heritage Library in Loma Linda California to The Biblical Research Committee in Silver Spring Maryland and beyond What Every Seventh day Adventist Should Know about The Shepherd s Rod journeys through the pages of history and helps to separate truth from propaganda It takes a fresh look at an old controversy that began in eternity past and has played itself out in the rank and file of Seventh day Adventism *Adventist Review* ,2004 **Happiness Digest** Ellen G. White,1994-03 *In Times Like These* D.

Chongo Mundende,2012-09-07 We live in interesting times In our times we know many facts but lack faith We know so much about medicine but enjoy little health We ask many questions but receive few answers Living in a broken world in times where wrong is considered right and right is considered wrong we question the reality of the existence of God Yet wherever we look we see battered scarred bruised maimed and broken people crying for Him God is always present He is never caught off guard or taken by surprise The problems and heartaches we face are a result of sin The solution to sin is Jesus Christ the Creator Savior Sustainer and Answer to all our questionings By accepting Him beholding His love and mercy and studying His Word our lives are transformed into His likeness We become new creations Jesus left the splendor of heaven to come and die for us on a cruel cross at Calvary for the sins He did not commit He would have come and died for us if we were the only sinner in the whole universe In Times Like These is about Jesus and His love for lost humanity In times like these we need Him every nanosecond of the day and night He is coming back soon to take His children home A home where there is no pain cancer disease tears of sorrow or disappointment Will you go with Him to Paradise Now is the time to get ready Christ Object Lessons Ellen White,2015-02-18 Christ Object Lessons by Ellen G White LARGE PRINT EDITION 7 10 letter 16 pt

verily I say unto you He that entereth not by the door into the sheepfold but climbeth up some other way the same is a thief and a robber But he that entereth in by the door is the shepherd of the sheep To him the porter openeth and the sheep hear his voice and he calleth his own sheep by name and leadeth them out And when he putteth forth his own sheep he goeth before them and the sheep follow him for they know his voice And a stranger will they not follow but will flee from him for they know not the voice of strangers In John 10 14 16 Jesus says I am the good shepherd and know my sheep and am known of mine As the Father knoweth me even so know I the Father and I lay down my life for the sheep And other sheep I have which are not of this fold them also I must bring and they shall hear my voice my truth which I have spoken and there shall be one fold and one shepherd
