What to Expect

This novel is divided into nine easy-to-manage sections. Each section comes with a notes page to use while reading three or four comprehension questions, and three additional sections that encourage deeper interaction with the novel. The Journal Your Thoughts, Get Out of the Book and What Do You Think sections help students to think deeply and critically about the content in the book and how this content connects to other areas of life and the student's own opinion. Students end each section by rereading the chapters in preparation for moving forward in the novel.
